

Catalogue of the Box "Derbyshire 01"

<u>Variety of Item</u>	<u>Serial No.</u>	<u>Description</u>
Photocopy	14	Notes by Mr. Wright of Gild Low Cottage, Great Longstone, regarding Gild Low Shafts
Paper		Minutes of Preservation Meeting (PDMHS) 10-Nov-1985
Document and Plan		List of Shafts to be capped and associated plan from the Shaft Capping Project on Bonsall Moor
Photocopy		Documents re Extraction of Minerals at Leys Lane, Bonsall, 21-Oct-1987 – Peak District National Park
Letter		From the Department of the Environment to L. Willies regarding conservation work at Stone Edge Smelt Chimney, 30-Mar-1979
Typewritten Notes	D86 B166	Notes on the Dovegang and Cromford Sough (and other places) with Sketch Map (Cromford Market Place to Gang Vein) – Maurice Woodward
Transcription	S19/1 B67	"A Note on the Peculiar Occurrence of Lead Ore in the Ewden Valley, Yorkshire" by M.E. Smith from "Journal of the University of Sheffield Geological Society" 1958/9
	S19/2 B11	"The Lead Industry of the Ewden Valley, Yorkshire" by M.E. Smith from "The Sorby Record" Autumn 1958
	S22 B120	"The Odin Mine, Castleton" by M.E. Smith from "The Sorby Record" Winter 1959
		All Items in One Envelope (2 Copies)
Offprint		"Discussion on the Relationship between Bitumens and Mineralisation in the South Pennine Orefield, Central England" by D.G. Quirk from "The Journal of the Geological Society of London" Vol. 153 pp653-656 (1996)
Report	B201	Geological Report on the Ashover Fluorspar Workings by K.C. Dunham to the Clay Cross Company 15-May-1954
Folder	B24	Preliminary Notes on the Fauna and Palaeoecology of the Goniatite Bed at Cow Low Nick, Castleton by J.R.L. Allen
Photocopy	D95	A Catalogue of Fossils, Rocks and Minerals by John Higton, Geologist, High Tor, Matlock Bath. Late 19 th Century
Photocopy		"The Marble Inlayers" by Robert Thornhill, published in 3 parts in "The Ashford Leader", nos. 17, 18, 19 (1967) (2 copies of each)
Typewritten Notes	D9	"The Rocks of Derbyshire".
Offprint		"Fluorspar Mining in Derbyshire" by Dr. J.V. Bramley from "The Mining Magazine" (2 copies)
Offprint	D9	"Geological Structure and Scenery" by J. Wilfred Jackson
Report		"Report on a Geophysical Survey at the Magpie Mine, Sheldon" by R. Vernon, Dept. of Archaeological Sciences, University of Bradford – Dec. 2004

Offprint		"Industrial Archaeological Geochemical Prospecting: A Scientific Aid to the study of Industrial History" by Ian Eastwood and Mike Wild from "The Hallamshire Historian" 1:1 pp17-22 (1986)
Offprint		"A New Fluorspar Mine in a National Park" by Frank Smith in "Land and Mineral Surveying" 6 pp231-241 (May 1988)
Offprint		"The Geology of the Eastern Part of the Peak District" by Fearnside, Biast, Edwards, Lewis and Wilcockson in "Proceedings of the Geologists' Association".
Offprint		"Fluorspar – From Waste Product to Valuable Asset", by Brian Spencer in "Country Images" (Nov. 1996)
Offprint		"Fluorspar: A World Review" by B.L. Hodge in "Industrial Minerals" (Sept. 1971)
Offprint	B97	"Fluorite Production at the Cavendish Mill, Eyam, Derbyshire" (Anon.) from "Chemistry in Britain" 1:11 (Nov. 1965)
Offprint		"Quarrying Limestone Underground" (Anon.) in "Mine and Quarry Engineering" August 1961 pp344-352
Offprint + 2 Photocopies		"Fluorspar: A Vital Mine for War Purposes" by Ernest Hinchcliffe in "Mine and Quarry Engineering" (Oct. 1943)
Photocopy		Commemorative Pamphlet – "Laporte 1888-1988: A Hundred Years of Progress"
Envelope		5 Papers by W.J. Houston
	B40	"Weardale Lead" in "Mine and Quarry Engineering" (March 1964)
	B41	"Fluorspar Production in Derbyshire and Yorkshire" in "Quarry Managers' Journal" (April 1964)
	B42	"Limestone Mining at Halkyn" in "Mine and Quarry Engineering" (December 1963)
	B43	"Calcite Production in Flintshire" in "The Quarry Managers' Journal" (October 1963)
	B44	"Rampgill Mill" in "Mine and Quarry Engineering" (February 1963)
Publication		"Laporte Minerals Glebe Mine: Information for Visitors" (Anon.) (January 1996)
Offprint		"The Influence of Depositional Methods on the Engineering Deposits of Tailings Deposits" by Dr. A. MacG. Robertson
Offprint	34	"The Journal of Gideon Mantell" Ed. By F. Cecil Curwen, Oxford University Press (1940)
Offprint	B43/DN1	"Derbyshire Marble Mosaic and Inlay" by G. Bernard Hughes in "Country Life" (December 1955)
Typewritten Notes		"Mineralogy of Bage Mine" by J. Jones
Offprint		"Derbyshire Minerals" (Anon.) from "The Forester: Nottingham High School Magazine" (Mids. 1878) Covering Letter W. Sarjeant to G. Lunn (January 2 nd 1963)

Offprint		"The Geology of Castleton" by John Royse in "Transactions of the East Derbyshire Field Club" pp1-3 (1908)
Maps		Extracts from O.S. Map showing tunnel at Harpur Hill. Produced by S. Thompson
Offprint		"The Froggatt Lead Smelter" by Alan Faulkner Taylor. <i>Derbyshire Life</i> December 1988.
Photocopy		Extracts from Castleton Records – Extracts in the BSA Collection at the BGS, Keyworth. Covering by J.H. Rieuwerts regarding provenance.
Offprint		"Suppressing Drilling Dust in Middleton Mine" by R.J. Clemmow, in "Mining and Minerals Engineering." (Sept. 1967)
Notes		Collection on Field Names from Tithe Award for Litton Parish, from S.J. Thompson
Notes		Extracts from Bagshawe Collection 444 in Sheffield Archives regarding Taddington, from S.J. Thompson
Notes		E-Mail exchanges regarding features at Litton, from S.J. Thompson
Photocopies		Various photocopies from the Devonshire Collection at Chatsworth House, with regard to Milldam Mine, collected by J.H. Rieuwerts
Photocopies		Collection of Documents with respect to Maury Mine, Priestcliff, plus covering letter, from S.J. Thompson
Booklet		"Temple Mine, Matlock Bath, Derbyshire: A Geological Guide" by N.J.D. Butcher (29 June 1986)
Photocopy Offprint		"Nicking of a Derbyshire Lead Mine" by Harry Lea in "Derbyshire Countryside" No. 61, Jan/Mar 1946, p147
Leaflet		"Lathkilldale Lead Mining" published by the Nature Conservancy Council
Offprint	B26	"Notes on Crich Hill" by H. Arnold-Bemrose in "Derbyshire Archaeological Journal" Vol. 16, pp44-51
Offprint	B27	"The Hydrology of the Lathkilldale Area" by H.A. Bamber in "Cave Science" 1:15 (June 1951)
Laser Printed Photographs		Collection of photographs (with explanations) taken in Maury Sough, Priestcliffe. (c2011).
Photocopy		Calculations regarding the Lord's Meer, Oden Mine, Castleton (From Devonshire Collection 120/25).
Computer Printout		Notes on Brown Ore production, Stanley moor, Buxton, 1854 to 1873. (Source – probably Chris Heathcote).
Computer Printout		Notes of Perseverance Mine, near Monk's Dale, Tideswell. (Source – probably Steve J. Thompson).
Photocopy		Letter dated 1672 mentioning lead trade. (Covering letter from John Barnatt(?))
Draft Article		'Maggie Mine, Middleton-by-Wirksworth' by Jon Scaife and Ray Marsh
Photocopies		Three parts of a plan showing Dimple Mine, Matlock.

Folder	Magpie Mine – Engine House Appeal Brochure c1985 Includes item of correspondence and PDMHS Newsletter 82
Offprint	'Fluorspar Production in Derbyshire and Yorkshire' by W.J. Houston Offprint from 'The Quarry Managers' Journal' April 1964
Newsletter	'Record Office News' Issue 6 Spring 2012 Issued by the Derbyshire Record Office
Newsletter	'Record Office News' Issue 7 Summer/Autumn 2012 Issued by the Derbyshire Record Office
Plastic Folder	Copy of the cartoon of the Wills Founder Tea Pump as drawn by John Pickin
Plastic Folder	Invitation to the Celebration of the first programmable interactive LED lighting system at Pooles Cavern, Buxton – dated 15 April 2011 (2 copies)
Plastic Folder	Prints from Microfilm – Early Ordnance Survey maps of Ashgate area, Chesterfield.
Plastic Folder	Photocopy – Leach, J. 1996 Coalmining around Quarnford. <i>Staffordshire Studies</i> . Vol. 8.
Plastic Folder	Photocopy – Renishaw Park Colliery and History of Renishaw Foundry. Probable source is Chesterfield Library).
Plastic Folder	Photocopy - Riden, Philip J. "Tramroads in North-East Derbyshire." <i>Industrial Archaeology</i> . 7:4, (1970) pp.373-396.
Plastic Folder	Photocopy – George, P.K. 1993 The Continuing Decline of Coal Mining in Nottinghamshire and the East Midlands. <i>Trent Geographer</i> 14 pp.31-46.
Plastic Folder	Photocopy – Smith, Anthony D. The Labour Supply and Industrial Structure of Staveley, Derbyshire 1851 (Source is probably East Midland Geographer – date not known but post-1993).
Plastic Folder	Photocopy - Stallybrass, Basil 1913 Bess of Hardwick's Buildings and Building Account <i>Archaeologia</i> .
Plastic Folder	Photocopy – Taylor, Alan Faulkner The Froggatt Lead Smelter. (Source and date not known)(2 Copies)
Plastic Folder	Survey of Stone Edge Cupola, 1967, by C.W. (Chris. J. Williams??) and L & S. W. (Lynn and Sheelagh Willies).
Plastic Folder	Photocopy Article – Warren, K. 1961 The Derbyshire Iron Industry since 1780. <i>East Midland Geographer</i> . 16, pp.17-33
Plastic Folder	Photocopy Article - Hodgkins, D.J. 1963 The Origins and Independent Years of the Cromford and High Peak Railway. <i>Journal of Transport History</i> . 6, pp.39-55
Plastic Folder	Photocopy Article – Ward, G.H.B. 1953 Holmesfield's Medieval Bole Hills. <i>Sheffield Clarion Ramblers Booklet</i> . pp.74-83.
Plastic Folder	Photocopy Article – Nash, Douglas A. 1957 Jug Holes and the Nature of the Matlock Mines. <i>Transactions of the Cave Research Group</i> .

5:1, pp.13-21.

- Plastic Folder Photocopy Article – Guthrie, Joan. 1964 Lead Mining in Derbyshire. *Memoirs of the Northern Cavern & Mine Research Society*. 1, pp.10-11.

- Plastic Folder Derbyshire Caving Association – Annual Report for 2015.
- Plastic Folder Document relating to the arguments for allowing access to caves and mines under the Countryside and Rights of Way Act – published c2014.

Leaflet	DCA – Caving, Land Managers and Liability - 2014
Research Report	Derwent Archaeological Society Research Report No. 1 - 1973
Offprint	Photocopy Ford, T.D. and Burek, C.V. 1976. 'Anomalous Limestone Gorges in Derbyshire' in Mercian Geologist Vol. 6 No. 1 pp59-66
Pamphlet	Middleton Top Engine House – Derbyshire County Planning Dept. 1973
Book	A school(?) project on Magpie Mine. This appears to have been produced some time post the Wills Founder Project and is largely based on the Magpie Mine booklets and the Red Book 'Lead Mining in the Peak District'. It's origin is not known, but it arrived with some surveys from the late Dave Allsop.
Plastic Folder	Report on the Cromford Sough Tail by Peter J. Naylor for Cromford Parish Council. Survey carried out on 29 September 2003.
Plastic Folder	National Stone Centre – Prospectus for Development. Not Dated.
Plastic Folder	Preservation of Remains at the Millclose Mine Site, Darley Dale – Discussion paper respecting possible move of the Mining Museum to the Mill Close Mine site. Lynn Willies 11 January 1992.
Offprint	'Notes on the History of Phosgenite and Matlockite from Matlock, England' by Peter S. Burr. Published in The Mineralogical Record, Vol. 23, September-October 1992.
Booklet	'Industrial History in Derbyshire' – Catalogue for an Exhibition at Tawney House, May 1969
Plastic Folder	'Mining Remains in Lathkill Dale' – Catalogue and Sketch Plan of the Mining Remains in the Lathkill Dale NNR – Compiled by P.E. Lunn and S.J. Thompson.
Booklet	'A Celebration for the life of Harry Morris Parker – 6 September 2012 – Nether green Methodist church, Sheffield'.
Plastic Folder	Object Entry form for Coal Mining Books transferred to Apedale Museum.
Plastic Folder	Accession Receipt from the Derbyshire Record Office for a collection of plans relating to Holme Bank Chert Mine (see CD221 for scans).
Plastic Folder	Card showing The Moor Hall, Wirksworth. Contains letter from Margaret Oakley to Doug Nash, 2000.
Plastic Folder	Newspaper Cutting – Sheffield Star 6 September 21012 – relating to death of H.M. Parker
Plastic Folder	Accession letter and paperwork regarding the deposition of a photographic collection to the Derbyshire Record Office by Jim Rieuwerts

Catalogue of the Box "Derbyshire 02"

<u>Variety of Item</u>	<u>Serial No.</u>	<u>Description</u>
Folder	D121	<p>Folder of Papers collected by Adrian Pearce regarding Mouldridge Mine, near Pikehall</p> <p>General Papers on Mining from Stuart Flint (Deceased)</p> <ol style="list-style-type: none">1. Offprint from Internet regarding Derbyshire Mines 18962. Photocopy of the journal of Samuel Sheldon, Deputy Barmaster 1904-1911 (Low Peak Mines)3. Offprint		<p>"The Daily Journal and memorandum of J.A. Stevenson" from Derbyshire Miscellany (Various Volumes)</p>
Paper		<p>Extracts regarding Lionel Tylney or Tinley</p>
Photocopy		<p>Advert regarding the construction of Meerbrook Sough. Original in the Raistrick MSS (Misc. Docs.), Sheffield Archives</p>
Envelope File		<p>"Copy of transcription and original letters to Thomas Fenton of Eyam 1843-1852". 45 items. Originals in DRO</p>
Offprint		<p>"The Beach Beds of Castleton" by D. Parkinson from the Mercian Geologist 5:2 pp105-113 (1974)</p>
Envelope		<p>Notes and Final Copy "Examination and Survey of Bage Mine" by D. Warriner from Bull. PDMHS 8:4 pp243-259 (1982)</p>
Envelope		<p>Notes and Final Copy "Ratchwood Founder Shaft, Wirksworth" by D. Warriner and N. Birkett from Bull. PDMHS 8:3 pp151-158 (1982)</p>

Photocopy		Copy of Bag. 587(27)-10 regarding construction of Watergrove Engine House, 1837
Photocopy	D27	Appointment of John Bancroft of Bradwell as agent at Bank Top Mine, Moss Rake, 1864. (Original in PDMHS Coll., DRO)
Photocopy	D29	Appointment of John Bancroft of Bradwell as agent at Brunt Mine, Bradwell, Nov. 1871. (Original in PDMHS Coll., DRO)
Photocopy	D59	Share certificate of Victory Level, Burnt Heath and Watergrove Mining Co., September 1857
Photocopy	D5 D6	Written Transcripts of Newspaper Articles from the Sheffield Daily Telegraph, 1910. Reprinted in Bull PDMHS 1:2 and 1:3
Photocopy		"Remarks on a Vein of Lead found in the Carboniferous Strata in Derbyshire, near Whaley Bridge" by E.W. Binney in Transactions of the Literary and Philosophical Society of Manchester Series 2 Vol. 9 pp125-9 (1851)
Photocopy	D33	Accounts for Mines in the Liberty of Eyam and Odin Mine (Mainly Eyam Edge Mines) – Presented by Maurice Chantry. Originals in PDMHS Coll., DRO.
Photocopy		Will of John Boden of Wingfield Park, concerns shares in Crich Mines. Covering letter from B. Boden.
Photocopy in Envelope regarding	D99	Printed Booklet with details of lawsuit (Duke of Devonshire v. John Wall and Partners) at Portaway Mine, 1760, with covering letter Translation of Quo Warranto by David Gordon.
Offprint		"Devonshire Cavern" by J. Larson from The Speleologist 1:3 pp121-127 (1954)
Offprint		"Derbyshire Lead Production, 1195 to 1505" by I.S.W. Blanchard, Derbyshire Archaeological Journal 91 pp119-140 (1971)
Offprint		"Lead Mining in 18 th Century Ashover" by G.G. Hopkinson from Derbyshire Archaeological Journal 1952
Publication (Draft)		"Stoney Middleton Dale SSSI Geo-Environmental Assessment and Cave Management Plan" by M.A. Cope for the Derbyshire Caving Association (Draft).
Photocopy and Notes	D46	Copy of the Vicar's Tithe Book of Tithe Ore Measured in Wirksworth, 1879-1914
Photocopy	D68	Notice of Resolutions at a Meeting of the Peak Forest Mining Co. 25-April-1872 (Original in the Rieuwerts Coll., DRO)
Photocopy		"The Peak Forest Mines" by P.W. Crabtree in Cave Science, 6:42
Folder	8	Paper and Plans regarding exploration in the Eyam and Stoney Middleton area.
Folder	16	Rough Survey of Windy Knowl Cave, 1972
Notes		Notes by Margaret Howard regarding Oxclose Mine

Folder	11	Typewritten Notes – Memorandum regarding Meerbrook Sough, 1803-1808, Reckonings for Musden Mine, Ilam, 1809 and Cityfold Mine, 1809-11. Newspaper Cutting re exploring Meerbrook Sough, 1977. All notes from J. Frost.
Photocopy	D24	Report on Mineral District near Longstone Edge by D.T. Ansted, 1853 (Original - Brooke-Taylor Coll. 504B/L266/10 in DRO)
Photocopy	D19	"An Act through Cowley Estate", 1752 plus 3 overhead Transparencies (Source probably Raistrick Coll., Sheffield Archives)
Photocopy	D22	Report of a visit to Eyam to take samples of Lead Ashes and Slags, 21-May-1914 – From Sheffield Smelting Co. Book.
Original Notes	D10	Notes on analysis and examination of argentiferous lead slags and galena – Sheffield Smelting Company.
Folder		Notes by A.G. Dixon in Preparation for an article on the Wills Founder Engine – See Bull PDMHS 11:2
Folder	13	Miscellaneous Notes on Magpie Mine
Papers		Extract from Museum of St. John Ambulance regarding medals given after the entombment of Dennis Bagshawe. Copy of Will of Arthur H. Stokes, HM Inspector of Mines, 1910 Extract from 1881 Census regarding Dennis Bagshawe
Surveys		5 Geological Sections with mining information added – reference to thesis of N.J.D. Butcher
Paper		Report and Survey of Watts Grove Vein, Peak Forest – by the Derbyshire Caving Club 1974
Offprint		"Washing Ore in Longstone" by Robert Thornhill in Derbyshire Miscellany no. 6 pp76-7 (June 1957)
Offprint	S27	"Lead Mining Then and Now"
Typewritten Notes		Précis of Op. Mole OM/CN/147 – Notes on Nestus Mine by D.A. Nash, 1955
Notes		Production Figures for Maury Mine, Priestcliffe – Notes by S.J. Thompson
Photocopy		Typewritten notes on Froggatt Wood, Linacre Over Mill and Loads Smelting Sites – Possibly by D. Kiernan
Notes		Bundle of Notes on the Caves of Upper Dovedale
Photocopy		Copy Birth Certificate of William Marsden (born 1883, worked at Magpie Mine).
Handouts	D97	Handouts on the minerals, fluorspar and barytes – by B. Woodall
Booklets		Publicity booklets for Enthovens. A4 includes Pictures, A5 excludes pictures
Original		Letter (1986) and reply regarding Shepherd's Rake, Coombs Dale.
Envelope	B184	Catalogue of Auction of Hopton Works Plant (1976) – Guilini's.

Folder		DRO Archive Teaching Unit – Enclosure in Derbyshire – Compiled by Dudley Fowkes.
Offprint		"A Survey of the Neogene Flora from Two Derbyshire Pocket Deposits" by M.C. Boulter in Mercian Geologist 4:1 pp45-62 (1971)
Photocopies		Reductions of the 25in O.S. Barmasters' Maps – 1898 Edition
Letter and Notes		Letter from Derek Holmes to Pam Diamond with notes on Clay Pipes
Photocopy	C180	Plan of Longe (Cromford) Sough, 1777
Bundle	D20	Notes on Mines on Moss Rake and other Bradwell Mines
Offprint		"Description of a Shaft and Workings at Mooresfield, Winster" by G. Hardy in Bull PDMHS 12:2
Photocopy		Brochure of Surveying Instruments by John Davis and Co., Derby – early 20 th Century
Notes		Handwritten Notes on Yatestooop Sough
Envelope	B25	Sheffield City Library – Local History and Archives – Report 1960-62
Typewritten Notes	D16 D3	Articles on Mandale Mine – J.H. Rieuwerts Over Haddon Report
Computer Printout		"The Christmas Eve Murder" from www.Peaklandheritage.org.uk
Photocopy		An Agreement Upper Balldmere Mine, August 1877
Offprint		"Mines and Mining – A G.B. Collection" by P.J. Challis from Bond and Share Society Journal (Jan 1983)
Leaflet		Cadley Hill Colliery Pithead Baths – The Bathers' Handbook
Plastic Folder		Agreement and covering letter regarding the British Geological Survey scanning project of old mining maps.
Plastic Folder		Certificate of Incorporation of 'The Peak District Mines Historical Society' dated 26 September 1975.

Catalogue of the Box 'Derbyshire 03'

Folder		Collection of Newspaper cuttings (not all Derbyshire) collected by H.M. Parker
Plastic Folder	D25	Typewritten extract from Bradbury, Edward 1881. In the Derbyshire Highlands. Relates to mines in Lathkilldale.
Plastic folder		Notice issued by L. Willies on behalf of the Society relating to a planning application involving Dresser Minerals Limited. Dated 09-April-1979.
Plastic Folder		Quote issued by W.E. Harrison, Steeplejack, of Sheffield relating to work to be carried out at the Stone Edge Smelter Chimney. 14 January 1974.
Plastic Folder	47	Inland Revenue PAYE Returns for 1984 relating to the Hopton Mining Company.
Plastic Folder		Planning Application relating to Magpie Mine. Compiled by L. Willies. 29 June 1979
Plastic Folder		Photocopy – extract from 'The Life of the Honourable Sir Dudley North, Knt . . . and of the Honourable and reverend Dr. John North' by Roger North. Published and Printed by J. Whiston, 1744. Image downloaded from Google Books.
Plastic Folder		Photocopy – Plan of Mine D615/1 at Greenhills Farm, Matlock. SK292593. Survey dated September 1954. Authorship not known.
Plastic Folder		Photocopy – House of Lords Law Report – Case of Wake and Wake v. Hall. 19 March 1883.
Plastic Folder		Extract from Aiken, John 1795. Forty Miles around Manchester. 'General Account of Derbyshire'.
Plastic Folder		Photocopy – Legeard, J.G.A., Howell, J.A., Rothwell, J.J. and Drew, I.B. 2008. The Utility of Pinus Sylvestris L. in Dendrochemical Investigations: Pollution Impact of Lead Mining and Smelting in Darley Dale, Derbyshire, U.K. <i>Environmental Pollution</i> 153 pp. 284-294.
Plastic Folder		Photocopy – Willies, Lynn and Maskall, John. 1995. The Historical and Archaeological 'Spin-off' from Heavy Metal Environmental Research in the Peak District. <i>Archaeological Sciences</i> 1997: Oxbow Monograph 64. (2 Copies).
Booklet		Offprint – Willies, L. 2010. Matlock and the Location of Domesday Mesteforde. <i>Derbyshire Archaeological Journal</i> 2010 pp176-188.
Booklet		Design for the Future – Peak District Mining Museum. 1987 (2 Copies).
Advertising Card		The Temple Mine – Matlock Bath.
Folder	D81	Application for Planning Permission. Town and Country Planning Act 1971. Proposed Development at 'Magpie Field', Sheldon Moor Road, Bakewell, Derbyshire.
Envelope		Mill Close Mine – Correspondence and other Papers relating to Clearance of Redundant Buildings at Mill Close Mine. 1992.
Plastic Folder		Correspondence relating to the Conservation of Stone Edge smelter Chimney. 1975.

Plastic Folder	Map relating to a Proposed Extension of Dene Quarry. February 2002.
Plastic Folder	Computer printout from www.wirksworth.org.uk relating to lead miners' clothing.
Plastic Folder	Two leaflets about Elton village, produced by the Elton Local History Group, 2012.
Plastic Envelope	'Groove Fest Programme' – 28 June 1980 – Programme, etc.
Plastic Envelope	'Underground Dinner at Temple Mine – 28 April 1984 – Correspondence and Attendance List, etc.
Plastic Envelope	Various leaflets, etc., relating to the Peak District Mining Museum and Temple Mine.
Plastic Envelope	PDMHS Symposium on Lead Mining – 3/4 May 1975 – Programme, etc.
Paper Envelope	Barmote 'Event' held 18 October 1995 at Peak District Mining Museum – Correspondence, etc.
Plastic Envelope	'Three Mines Challenge' – 3/4 August 1985 – Correspondence etc.
Plastic Envelope	PDMHS Extravaganza – 28/30 April 1978 – Correspondence re Organisation and Attendance plus a Post-mortem.
Booklet	'Greenbat' Electric Mining Locomotive made by Greenwood and Batley Ltd., Leeds, England. Operating and Maintenance Instruction Manual. (Locomotive at Temple Mine).
Plastic Folder	Ticket for PDMHS Annual Dinner, Jackson Tor House, Matlock – 7 December 1996.
Plastic Folder	Collection of Leaflets for various Derbyshire Tourist attractions – Alderley Edge, Haddon Hall, Gulliver's Kingdom, Leawood Pumphouse, National Tramway Museum, Heights of Abraham, Middleton Top Engine House, High Peak Junction Workshops, Peak Rail, High Peak Trail, Cromford Canal, Derbyshire Caving.
Booklet	Offprint of 'The Barker Family and the Eighteenth Century Lead Business' by Lynn Willies from 'The Derbyshire Archaeological Journal' Vol. 93 – 1973 (2 copies)
Booklet	Offprint of 'Development of Lead Smelting Techniques' by Lynn Willies from the Proceedings of a Conference 'Archaologia Delle Attivita Estrattive e Metallurgiche' at Campiglia Marittima – September 1991 (2 copies)
Booklet	Fortieth Annual General meeting of P.D.M.H.S. – Report of the Directors
Plastic Folder	Transcribed article 'Diseases of Special Occupations – No. V: The Lead Miners of Derbyshire, and their Diseases' by William Webb, from the British Medical Journal No. 33 – 15 August 1857.
Plastic Folder	Article (Source not known) – 'The Recovery of a Trevithick Water Pressure Engine, and the opening of the Peak District Mining Museum by the Peak District Mines Historical Society (1976-1980).
Plastic Folder	Drawing of a Geological Section across the Matlock Bath valley. (This was used to create a display panel at Temple Mine)

Plastic Folder	Offprint – 'The Pumps at Mill Close Mine' by Peter Naylor. Bulletin of PDMHS Vol. 9 No. 2 Winter 1984.
Plastic Folder	Explanatory Drawings by A.G. Dixon of the operation of the Wills Founder Water Pressure Engine.
Plastic Folder	Offprint of an article published by the Derbyshire archaeological and natural history Society, with the assistance of Rolls-Royce. Author not known and Article has no apparent title. Appears to be a history of engineering in Derbyshire.
Plastic Folder	'Notes on the Geology of Alderley Edge, Cheshire' prepared by G. Warrington, for the National Trust 1972, amended 1976
Paper Envelope	Correspondence relating to the loans of various items from the Museum to different bodies.
Plastic Folder	Eight prints of black and white sketches of mining scenes – Magpie Mine, Golconda Mine, Mandale Engine House, Wass Engine House, Glory Mine, Stone Edge Cupola, Waterwheel at Milltown, Kibble at Crich – all appear to be by P. Miller – 1984.
Plastic folder	Architectural drawing of the remains of a limekiln found at Bleaklow Mining Co's mine tips near Calver, 1968.
Plastic Folder	Transcript taken from a Peak Park booklet on mining describing a walk from Wensley to Millclose. 1968.
Plastic Folder	Copy of an article from Bull. PDMHS Vol. 4 No. 3 describing a field meeting at Cromford Meadows, 1969, with annotations by N. Gregory, together with draft version of article.
Plastic Folder	Photocopy of the front page of the 'Wass Sale' 1886 together with annotations. Probably photocopied from the D.R.O.
Plastic Folder	Offprint from PDMHS Bulletin showing veins in Dene Hollow, Cromford, with annotations (probably by N. Gregory)
Plastic Folder	Letter from H.M. Parker to N. Gregory together with a photograph showing L. Riley and A. Gillings presenting N., Gregory with life membership of PDMHS.
Plastic Folder	Notes on the History and Customs of Lead Mining in the Wapentake of Wirksworth – presumably written by N. Gregory.
Plastic Folder	Notes relating to a talk to be given by N. Gregory entitled 'The Derbyshire Lead Mines, Minerals and Customs' dated 1966.
Booklet	Describes a walk from Cromford Bridge to Matlock Bath by Nevil Gregory dated 1998. Includes historical notes.
Plastic Folder	1) Notepaper heading for Goodall Gregory Mines. 2) Card for Derbyshire Tours and Care Hire Service. Both were businesses of N. Gregory.

Catalogue of the Box 'Derbyshire 04'

1. Folder Correspondence re queries from outside persons.
 - 1) From Mrs. S. Slater re Brown family.
 - 2) From J. LeC. Smith re lead pump head in Ockbrook.
 - 3) Letter from B.M. Grainger re Mystery Implement.
 - 4) Letter from R..... C.... re construction of horse gin.
2. Photocopy Sources of Building Stone for use in Derbyshire. Published by Derbyshire County Council.
3. Folder Miscellaneous Documents re mines in the Staffordshire Peak District
 - 1) Photograph(?) of abridged prospectus for The Ecton Company Limited in 'The Mining Journal' 3 November 1883
 - 2) Reproduction of 'A Description of the famous Copper Mine at Ecton Hill' by W. Efford in 'The Gentleman's Magazine' February 1769
 - 3) Offprint of 'Ribden Mine' by D.I. Gill from the 'Eldon Pothole Club Journal' Vol. 7 No. 1 pp68-72 1966
 - 4) Photocopies and covering letter regarding winding engine at Ecton Mine. From Birmingham Library to F. Ferguson.
 - 5) Transcript of an article entitled 'The Metalliferous Saddles of North Staffordshire' by J.C. Ferguson.
 - 6) Unbound copy of 'The Ecton Copper Mines, Staffordshire' by Nellie Kirkham and Trevor D. Ford – PDMHS Special Publication No. 1 (See main Library Index)
 - 7) 'A Survey of the Bincliffe, Oversetts and Highfields Mines, Wetton, Staffordshire' by T. Middleton. Written up as part of the Mine Registry programme of the mid 1970s.
 - 8) Transcript of an article about Dale Mine, Warslow, from 'The Mining and Smelting Magazine' Vol. 1 Jan./June 1862.
4. Photocopy (Two off) Share Certificate of the Ecton Mountain Mining Company – December 1851.
5. Photocopy Prospectus for 'The Ecton, Clayton, and Waterbank Mining Company Limited' – Manchester May 1868
6. Photocopy(?) Abridged prospectus for The Ecton Company Limited in 'The Mining Journal' 3 November 1883
7. Transcription Transcription of a letter dated 1780 describing Ecton Mines together with covering letter from M.J. Hanson of Carshalton.
8. Printout Aerial Photograph extracted from Google Earth in 2010 with the range of Odin Vein marked on it.
9. Pamphlet 'The Designation of Metal Mines in the Peak District as Scheduled Ancient Monuments' by John Barnatt c2000. (Two copies).
10. Leaflet 'Visit Peak Cavern, Castleton'.
11. Folder Extracts from PDMHS Logbook 1974/5 – Details visits to various mines both in Derbyshire and elsewhere.
12. Photocopy Undated plan (with transcriptions) showing a smelting mill and the River Derwent.
13. Folder Notes on the Northern Pennines found in H.M. Parker's copy of 'Two Centuries of Industrial Welfare' by A. Raistrick.
14. Folder Miscellaneous photocopies and notes – may have been collected by

K. Wood.

15. Photocopy First page of the 'Deed of Settlement of the Burgoyne Mining Company' 23 April 1839. No provenance.
16. Transcription 'Mawstone Mine Disaster' from 'The Derbyshire Times' Saturday 4 June 1932.
17. Notes Notes on lead marks and lead ingots (no name attached but almost certainly by L. Willies)
18. Envelope Photocopies of correspondence between Edwin Glossop of Ambergate and Eric Godbehere of Manchester re trials for lead at Brassington – 1935.
19. Printed Page Page removed from a publication by Derbyshire Stone(?) showing wooden water pump recovered from Riber Mine, Matlock.
20. Printed Page Page removed from a publication by Derbyshire Stone(?) showing executives.
21. Document 'Mine Registry Notes for the Thorpe Pasture area. Map XXXVIII 5'. May be related to Item 2-7.
22. Document Draft 3 of 'A Management Plan for the Caves and mines of Masson Hill' by David Webb (see also Library catalogue).
23. Folder Leaflets relating to coal mining produced by the NCB and British Coal.
24. Leaflet 'Hazards, Resources and Earth Heritage Conservation in the Peak District National Park' published by the Department of the Environment, Transport and the Regions.
25. Folder Miscellaneous papers relating to Holme Bank Chert Mine, Bakewell.
26. Folder Notes relating to Ashover Fluorspar Mining collected by A.E. Marsh.
27. Folder Miscellaneous papers relating to the NAMHO Conference held at the Mining Museum May 31 to June 3 1985 (collected by H.M. Parker)
28. Folder Draft & Associated papers by Margaret Howard on her article on Greensward Mine. PDMHS Bulletin Vol.12, No.6, Winter 1995
29. Folder Isaac Watt Boulton researched by Margaret Howard 1995
30. Folder Report on Bonsall Map Project by Margaret Howard 1997
31. Envelope John Henstock papers – contains information on Henstock family Members C17th/18^C (from Margaret Howard)
32. Plastic folder Derbyshire Miscellany Indexes
33. Plastic Folder Exploration and extraction of fluorite deposits in Castleton – Bradwell area, Trans IMM , Vol96, Aug 87
34. Plastic Folder Rules and Orders for the Society of Miners. Printed by J Bradley 1779. Original and Offprints
35. Plastic Folder 14 & 15 Victoriae, Cap 94. An act to define and amend the Mineral customs of the High Peak published in 1851

Catalogue of the Box 'Derbyshire Barmaster Papers'

- | | | |
|-----|------------------|--|
| 1. | Folder | Photocopy of Barmasters' Records for Hassop, Calver and Rowland from 1856 onwards. |
| 2. | Folder | Photocopy of an agreement dated 1762 relating to Bage Mine, near Wirksworth. |
| 3. | Folder | Transcript entitled 'A Barmaster's Record of the Lead Mines in the Districts of Eyam and Stoney Middleton, in the years 1714 to 1730' possibly compiled by W. Robinson of Eyam. |
| 4. | Scrapbook | Scrapbook with many loose photocopies relating to the Barmasters' Entries for Wirksworth Liberty. |
| 5. | Envelope | Contains transcriptions from the Castleton Barmasters' Books for the years 1752 to 1778. |
| 6. | Envelope | Transcription of the Litton Barmasters' Book March 1852 to Dec. 1914. Transcribed from a photocopy of the original book. The photocopy was held by Stuart Chester of the Pegasus Caving Club and the transcription was by David Williams. The original was held by Tom Furness, who ran the transport cafe and garage at Wardlow Mires, and is now presumed lost. Another photocopy is in the Doug Nash collection a bound volume. |
| 7. | Envelope | 1) Photocopy of the High Peak Mining Customs and Mineral Courts Act 1851
2) Photocopy of the Derbyshire Mining Customs and Mineral Courts Act 1852
3) Photocopy of the Occupiers' Liability Act 1983 |
| 8. | Envelope | Contains negative photographs of various Barmasters Maps. |
| 9. | Folder | Notice – The Great Barmote Court for the Liberty of Ashford, Tideswell, Peak Forest and Hartington. |
| 10. | Plastic Envelope | Typescript copy of 'Some Terms used by the Lead Miners of Derbyshire. Unknown authorship |
| 11. | Plastic Envelope | Printed copy of Manlove's Poem of 1653 with footnotes (possibly produced as part of Tapping's Treatise on the 1851 and 1852 Acts. |
| 12. | Plastic Envelope | Facsimile reprint of Manlove's poem produced by Derbyshire Museum Service in 1988 as part of the 700 th anniversary of the Inquisition of Ashbourne, 1288. (with autograph of Michael Cockerton, Steward, and W. Erskine, Barmaster). Plus a photograph of a rendition of the 14 articles of 1288. |
| 13. | Plastic Envelope | 'A History of the Laws and Customs of the Derbyshire Lead Mines' by J.H. Rieuwerts including The 'Rhymed Chronicle' by Edward Manlove. |
| 14. | Plastic Envelope | Photocopy of 'The Liberties and Customes of the Miners with Extracts from the Bundles of the Exchequer and Inquisitions' printed by R.A. 1645. (Tibbitts Collection 366/2 – Sheffield Archives). |
| 15. | Plastic Envelope | Transcription of 'The Compleat Mineral Laws of Derbyshire' Printed by Henry Woodfall in London, 1734. |
| 16. | Plastic Envelope | Two blank forms (as issued by George Eagle, Barmaster) to be filled in when weighing ore. C. 1920. |
| 17. | Plastic Envelope | Transcriptions (by C.D. Heathcote) from the Book of Entries made |

by the Barmaster of Peak Forest Liberty. (from Derbyshire Record Office B/L 32)

18. Plastic Envelope Transcriptions (by C.D. Heathcote) from the Book of Entries made by the Barmaster of Peak Forest Liberty. (from Derbyshire Record Office B/L 33)
19. Plastic Envelope Transcriptions (by C.D. Heathcote) from the Book of Entries made by the Barmaster of Peak Forest Liberty. (from Derbyshire Record Office B/L 35)
20. Plastic Envelope Photographic Copy of Manlove's poem.
21. Plastic Envelope Extracts from Barmasters Record books relating to mines on the north side of Masson. Barmasters book No. 45
22. Plastic Envelope Original of the High Peak Mining Customs and Mineral Courts Act 1851, Reprinted 1908

Catalogue of the Box "Derbyshire D83"

This box contains a series of folders belonging to the "Preservation Study Group". There does not appear to be any paper in these files later in date than c1985.

1. Preservation Study Group – Establishing Museum.
Contains correspondence between James H. Rieuwerts and Derbyshire County Council regarding the establishment of a mining museum. Dated December 1971.
2. Preservation Study Group – Romano-British Smelting Hearth, Hazlewood.
File of correspondence regarding the excavation, lifting, post-excavation research and preservation of the hearth. Dated 1973 to 1974.
3. Preservation Study Group – Projects General
File of correspondence regarding various projects and conservation issues. Dated 1953 to 1985.
4. Preservation Study Group – Projects – Magpie Mine (Including artefacts preserved there).
File of correspondence regarding Magpie Mine and its preservation. (also includes other material). Dated 1969 to 1977.
5. Preservation Study Group – Historical Enquiries.
File of correspondence. Dated 1973 to 1974.
6. Preservation Study Group – Town and Country Planning – Comments etc. on Planning Applications.
File of correspondence etc. regarding planning matters. Dated 1974 to 1986.
7. Preservation Study Group – Projects – Shaft capping.
File of correspondence re shaft capping. Dated 1973 to 1985.
8. Preservation Study Group – Projects – Watergrove Chimney, Foolow.
File of correspondence. Dated 1959 to 1960.
9. Preservation Study Group – Projects – New Engine Mine, Eyam.
File of correspondence relating to the partial demolition of the chimney at New Engine Mine. Dated 1970 to 1972.
10. Preservation Study Group – Projects – Goodluck Mine.
File of correspondence re Goodluck Mine. Dated 1972 to 1972.
11. Preservation Study Group – Projects – Lathkilldale.
File of correspondence. Dated 1960 to 1980.
12. Preservation Study Group – Policy and Administration – The Red Book.
File of correspondence principally concerned with listing of sites for preservation purposes – but also includes other material relating to the Red Book. Dated 1966 to 1968.
13. Preservation Study Group – Policy and Administration – General.
File of correspondence on many different matters. Dated 1962 to 1980.
14. Preservation Study Group – Projects – Ball Eye Mine.
File of correspondence relating to gas in Founterabbey Mine, Via Gellia. Dated 1977.
15. Preservation Study Group – Projects – Tansley Dale.
File of correspondence relating to work on shafts in Tansley Dale on land managed by the Nature Conservancy Council. Dated 1978 to 1980.
16. Preservation Study Group – Town and Country Planning – County Treasures Survey.
File of correspondence. Dated 1972 to 1978.
17. Loose Map showing boundaries of a proposed mineral extraction and other notes on areas. Bonsall Moor. n.d.

Photocopy of 1919 leaflet.
6. *'Derbyshire Miners' Association – Strike at Mill Close Mine'*
Photocopy of 1919 leaflet.
7. Photocopy of the Glossop Report on Mill Close Mine, dated 1923
8. Photocopy of the Report of the Eleventh Ordinary General Meeting of The Mill Close Mines, Limited.
6 August 1930
9. Photocopy of a letter from C.L. Waterhouse, Secretary, The Mill Close Mines Ltd., to Geo. H. Key of Oak Hill, Cromford, Matlock. – 1932
10. Photocopy and Transcript of a letter from Geo. H. Key of Oak Hill, Cromford, Matlock to Samuel Shooter
11. Photocopy of a circular letter to the shareholders of The Mill Close Mine Ltd. 20 January 1933.
12. Photocopy of a circular letter to the shareholders of The Mill Close Mines Limited regarding 'Capital Reduction. 11 May 1933.
13. Photocopy of Profit and Loss Account for The Mill Close Mines Limited, year ending 31 March 1933.
Photocopy of a newspaper cutting from 'The Financial Times' regarding annual results of The Mill Close Mines Ltd. 30 June 1933.
14. Photocopy of Notice of the 14th Annual Meeting of The Mill Close Mines Ltd. 21 June 1933.
Photocopy of the Report of the Directors of The Mill Close Mines Ltd. 29 June 1933.
15. Photocopy of a newspaper cutting from 'The Financial Times' regarding annual results of The Mill Close Mines Ltd. 2 July 1934.
16. Photocopy of Notice of the 16th Annual Meeting of The Mill Close Mines Ltd. 5 July 1935.
17. Photocopy of the Report of the Directors of The Mill Close Mines Ltd. 5 July 1935.
18. Photocopy of an authorisation issued to R. French to take charge of explosives and fire shots at Mill Close Mine. Issued by Leslie B. Williams. 19 December 1937.
19. Photocopy of Notice of the 18th Annual Meeting of The Mill Close Mines Ltd. 9 July 1937.
20. Photocopy of the Report of the Directors of The Mill Close Mines Ltd. 9 July 1937.
21. Offprint of 'Mill Close Mine, Derbyshire 1720 – 1780' by Arthur Raistrick. Published in Proceedings of the University of Durham Philosophical Society, Vol. 10 Part 1 pp. 38-47. 1938.
22. Folder of sketches and notes relating to the exploration of Mill Close Mine and Sough, probably by Buckley and Sheen. August 1955.

23. Sketch map taken from a tracing loaned by N. Kirkham of the Old Mill Close Mine Level. Signed by F.H.J. Sheen, 1955.
24. Transcript of note on the pumping engines (Jumbo, Alice and baby) at Mill Close Mine made by A. Richards, Chief Engineer
25. Magazine cutting (probably from an in-house magazine of Firth-Brown ??) carrying an article on Mill Close Mine. 1972.
26. Printed handbill giving details of operations at the Darley Dale Plant of H.J. Enthoven and Sons. February 1991.
27. Offprint 'The Mill Close Mine' probably from 'The Derbyshire Countryside'. c. 1983.
28. Photocopy of Pocket Note Book owned by H. Gladwin, Main Street, Winstar. Entitled 'Readings for Pumps'. Inscribed 'This is a record of the Pumps at Mill Close Mine at the time it was closed – P.J. Naylor 15 October 1983.
29. Printed handbill giving the history of the Mill Close mines by H.J. Enthoven and Sons. c. 1989.
30. Copy of the text (only) of the book 'Millclose – The Mine that Drowned' by Lynn Willies, Keith Gregory and Harry Parker. 1989.
31. Printed note, together with map, detailing a brief history of Mill Close Mine.
32. Newspaper cutting with article and photo reporting an explosion at Mill Close in 1927

Ring Binder 'Wensley Liberty Gifts and Freeings 1777 to 1798'.

Transcription of the Barmaster Books for Wensley Liberty 1777 to 1798, including an index. Transcribed by David Williams from photocopies supplied by Lynn Willies.

Catalogue of the Box 'South West England'.

1. Duplicated Publication
'An Introduction to Cornish Copper' by John R. Clayton
Research Report No. 2 of the 'Cave and Mine Survey Unit' – Not Dated.
2. Duplicated Publication
'Caving Safety' compiled by D. Burgess and J.R. Clayton
Published by the 'Cave and Mine Survey Unit' – Not Dated.
3. Offprint
Transcription of the Address by Kenneth Hudson entitled 'Keeping one's Historical Feet on the Ground'
At the Launch of the Trevithick Trust at County Hall, Truro on 27 January 1994.
4. Offprint
'Trevithick Memorial Lecture' delivered by Professor C.E. Inglis at the Institution of Civil Engineers
On Monday 24 April 1933.
5. Typed Notes and Photocopies
'The Outcome of a Mining Education – A Case Study of the R.S.M. and Camborne School of Mines
Before 1920' Abstract of a lecture(?) given by David Dixon – 14 November 1992.
6. Printed Pages taken from Publication (In plastic envelope).
'Redruth' – Extract from 'The Mining Magazine' – November 1947.
7. Printed Pages taken from Publication (In plastic envelope).
'Arsenic in West Devon and East Cornwall' by R.W. Toll – Extract from 'The Mining Magazine' –
August 1953
8. Printed Pages taken from Publication (In plastic envelope).
'Slate Powder from Cornwall' by R.W. Toll – Extract from 'The Mining Magazine' – August 1955.
9. Printed Pages taken from Publication (In plastic envelope).
'The Cornish Mineral Industry' Part 1 by John H. Trounson – Extract from 'The Mining Magazine' –
February 1942.
10. Printed Pages taken from Publication (In plastic envelope).
'The Cornish Mineral Industry' Part 2 by John H. Trounson – Extract from 'The Mining Magazine' –
May 1942.
11. Printed Pages taken from Publication (In plastic envelope).
'The Cornish Mineral Industry' Part 3 by John H. Trounson – Extract from 'The Mining Magazine' –
September 1942.
12. Printed Pages taken from Publication (In plastic envelope).
'The Cornish Mineral Industry' Part 4 by John H. Trounson – Extract from 'The Mining Magazine' –
December 1943.
13. Printed Pages taken from Publication (In plastic envelope).
'The Cornish Mineral Industry' Part 5 by John H. Trounson – Extract from 'The Mining Magazine' –
February 1945.
14. Printed Pages taken from Publication (In plastic envelope).
'Some Ancient Gold Workings in Egypt' by R.F. St. G. Lethbridge – Extract from 'The Mining Magazine' –
October 1946.
15. Printed Pages taken from Publication (In plastic envelope).
'Roman Lead Pipe' by J. Norman Wynne – Extract from 'The Mining Magazine' – May 1938.
16. Typewritten Notes (In plastic envelope).
'Roman Deep Gold Mine, Pumpsaint, South Wales' by F.O.S. Dobell
(Describes mill in June 1938).

17. Newspaper Cutting (in plastic envelope).
'Gold Fever in Wales' – Not Dated.
18. Newspaper Cutting (in plastic envelope).
'Welsh Gold – Roman Mine to Work Again' from 'The Rhodesia Herald' 28 January 1933.
19. Printed Pages taken from Publication (In plastic envelope).
'Gold Mining in South Wales' by T.R.H. Nelson from 'Mine and Quarry Engineering' January 1944.
20. Printed Page taken from Publication (In plastic envelope).
Letter to Editor 'Gold Mining in South Wales' by T.R.H. Nelson from 'Mine and Quarry Engineering' October 1944.
21. Printed Pages taken from Publication (In plastic envelope).
'Notes on the Cornish Tin Industry' by W. Arthur Pascoe from 'The Mining Magazine' – August 1945.
22. Printed Pages taken from Publication (In plastic envelope).
'The Anglezarke Lead Mines' by Iain A. Williamson from 'The Mining Magazine' – March 1963.
23. Printed Pages taken from Publication (In plastic envelope).
'The Snaefell Mine' by R.F.M. Grant from 'The Mining Magazine' – February 1955.
24. Printed Pages taken from Publication (In plastic envelope).
'The Silvermines Operation, Co. Tipperary, Eire' (in 4 parts) by S.V. Griffith from 'The Mining Magazine' – March, April, May, June 1955.
25. Printed Pages taken from Publication (In plastic envelope).
'The Discovery of Gold in Australia' by Thomas A Miles from 'The Mining Magazine' – June 1954.
26. Printed Page taken from Publication (In plastic envelope).
'A Moving Experience' by J.C. Ferguson from 'Rhokana Review' – October 1953 (re Zambia Copperbelt).
27. Printed Pages taken from Publication (In plastic envelope).
'Cornwall and Devon' (3 Parts) from 'The Mining Journal' – February and March 1927.
28. Bound Photocopy (In plastic envelope).
Extracts re Mining History from the book 'Heritage of Exmoor' by Roger A Burton – 1993.
29. Printed Document (In plastic envelope)
Hon. Secretary's Report for 1958 of the Cornish Engines Preservation Society.
30. Printed Document (In plastic envelope)
Hon. Secretary's Report for 1959 of the Cornish Engines Preservation Society.
31. Duplicated Sheets (in plastic envelope)
Notes collected respecting a PDMHS(?) trip to Cornwall in August 1966.
32. Paper Envelope containing 4 plastic envelopes.
4 sets times 6 sheets of photocopies of Geological maps from the Bristol area.
33. Paper Folder
Draft copy (with corrections) of 'The Tin Streams of Wendron' by Justin Brooke.
34. Photocopy (in plastic envelope)
'On the Origin of the Cost Book System' by Professor Henry Louis from 'Reports of the Royal Cornwall Polytechnic Society' N.S. 4 – 1920.
35. Paper Folder.
Contains various letters re mining. Source of letters appears to be J.C. Ferguson.
36. Copy of Newsletter.
'Cornish Mining' – Newsletter of the Cornwall and West Devon Mining World Heritage Site – Spring 2010

37. Paper Envelope.
Contains items with respect to Camborne School of Mines.
 1. Prospectus 1981-2
 2. Papers about the CSM dated 1963-1966
38. Paper Envelope.
Contains items with respected to the Tolgus Tin Company.
 1. Souvenir Guide. n.d.
 2. Guide to the Tolgus Tin Company. n.d.
39. Reprint (in plastic envelope).
'A Glossary of Mining Terms' from Simon's 'Gazeteer of Cornwall' (1844).
40. Photocopy (in plastic envelope).
'British Mines for the Table Book', authored by Sam Sam's Son (April 30, 1827). (No other details known).
41. Photocopy (in plastic envelope).
'A Tourist Tin Mine' by Ann Hills published in 'Geographical Magazine' 63(1) – January 1991.
42. Poor Photocopy (in plastic Envelope).
'Potters' or Ball Clay Mining in South Devon' by W.J. Bloore and C.L. Booth published in 'The Mining Engineer', read at a Meeting of the South Staffordshire and Warwickshire Institute of Mining Engineers on 28 March 1961.
43. Membership Card (in plastic envelope).
Membership Card of the Carn Brea Mining Society (1979 to 1980).
44. Paper Envelope.
'A Tourist Tin Mine' by Ann Hills published in 'Geographical Magazine' 63(1) – January 1991.
45. Paper Envelope.
'Cornish Tin' from the 'Mining Journal' – 8 January 1971.
46. Photocopy (in plastic envelope).
'Capital and Labour in the Stannaries: 1300 to 1550' Chapter 3 of 'English Tin Production and Trade before 1550' by John Hatcher, published by Clarendon Press, 1973. (incomplete).
47. Leaflet (in plastic envelope).
Advertising leaflet for the flotation of South Crofty Mine – August 1994.
48. Leaflet (in plastic envelope).
Appeal leaflet for the Botallack Engine Houses Preservation Project produced by the Carn Brea Mining Society. (n.d.).
49. Bound Offprint (in plastic envelope).
'Tin Mining at Wheal Jane' reprinted from 'The Mining Magazine' Vol. 130 No. 2 (Author not known). (February 1974).
50. Typewritten(?) Document (in plastic envelope).
'The Penn Recca Slate Mine, Staverton, South Devon' by T.R. Shaw (n.d.).
51. Paper Envelope.
Leaflet – 'An Appeal by the Cornish Engine Preservation Society' (n.d. but prob pre-1971).
52. Book.
'Thirtieth Annual Report of the Council with The President's Address' – Royal Geological Society of Cornwall. (1843).
53. Book.
'The Camborne School of Mines Magazine' Volume 69 (June 1969).

54. Leaflet (in plastic envelope).
'Lydford Castle, Devonshire' – a Guidebook published by the Department of the Environment, Ancient Monuments and Historic Buildings – 1964.
55. Envelope (in plastic envelope).
Envelope addressed to David Tew of Oakham, Rutland. Contains photographs and correspondence.
56. Leaflets (in plastic envelope).
 1. Cheddar Showcaves and Gorge.
 2. The Stone Age Cave Experience – Kents Cavern, Torquay.
 3. Geevor Tin Mine, Pendeen, Cornwall (3 copies).
 4. Blue Hills Tin Streams.
57. Leaflet (in plastic envelope).
Cornwall County Council – List of Area Mining Plans – Cornwall record Office (n.d.).
58. Photocopy(in Plastic Envelope)
Claughton, P. c1993. Lead and Silver Mining in *Exmoor's Industrial Archaeology* ed. Michael Atkinson.
Exmoor Books
59. Draft copy of a paper entitled 'Mining in North Devon prior to 1800' by P.F. Claughton, dated February 1991
60. Plastic Folder containing leaflets for Mining Tourist Attractions – Geevor Tin Mine, Cornish Mining World Heritage Bid
61. Leaflet - The Levant Beam Engine 1840 - Joint leaflet by The National Trust, The Trevithick Trust and The Trevithick Society – 2000
62. Leaflet – Imerys – The essential Component in al our lives (china clay)

Catalogue of the Box "Wales"

<u>Variety of Item</u>	<u>Serial No.</u>	<u>Description</u>
Plastic Folder	D127	Several sheets of blank notepaper headed 'Llanrwst Lead Mines Limited' – probably from the 1950's reworking.
Book		Anglesey Mining Plc – Placing and Offer for Subscription by Kleinwort Grieveson Securities Limited – dated 1988
Plastic Folder	17	Field Notes and Sketch Map of Dyffyd Adit, Parys Mountain – dated August 1979
Paper Envelope	D67	Notes and a photocopy article on Anglesey Mine Tokens – Compiled by Eric Gray-Thomas and sent to Adrian Pearce
Plastic Folder	44	Photocopies of letters from S.J.S. Hughes (Mining Historian and Mineral Agent) regarding (a) the suggested removal of the Ystrad Einion Mine underground waterwheel and (b) remedial work carried out at Cwmsymlog Mine, both in the Mid-Wales orefield and both dated 1983.
Plastic Folder		Photocopy of Cockshutt, E. "The Parys Mountain Copper Mines in the Island of Anglesey" <i>Archaeologia Cambrensis</i> , 114 (1965), pp.87-111
Plastic Folder		Photocopy of Webster, Graham (1953) Lead Mining Industry in North Wales in Roman Times. <i>Flintshire Historical Society Journal</i> , Vol.13, pages 5-33
Plastic Folder		Typewritten article on Calcite Mining in Flintshire –probably related to - Houston, W.J. "Calcite Production in Flintshire" <i>Quarry Managers Journal</i> (1963), pp.411-413.
Plastic Folder		Photocopy of Whittick, G. Clement 1982. The Earliest Roman Lead-Mining on Mendip and in North Wales: A Reappraisal. <i>Britannia</i> Vol. 13 pp113-123.
Plastic Folder		Photocopy of Earp, J.R. 1958. Mineral Veins of the Minera-Maeshafn District of North Wales. <i>Bulletin of the Geological Survey of Great Britain</i> , xiv pp44-69.
Plastic Folder		Handout for visitors to the Minera Lead Mines. Produced by Wrexham Maelor Borough Council. N.d.
Plastic Folder		Photocopy of Pratt, D. 1962. The Lead-Mining Community at Minera in the 14 th Century. <i>Transactions of the Denbighshire Historical Society</i> Vol. 11
Plastic Folder		Photocopied notes for a weekend visit by the Russell Society to the Minera area, North Wales on the 16/17 June 1990. Prepared by L.O. Burch.
Plastic Folder		Photocopy of Dominy, Simon C. and Phelps, Roland F.G. 1996 Gwynfynydd's Gold Veins. <i>Mining Magazine</i> – December 1996.
Plastic Folder		Duplicated copy of the Annual Review of the North Cardiganshire Mining Club for 1972-3
Plastic Folder		Duplicated copy of 'Sites of Speleological Interest in the Minera Area' taken from the Supplement to the 2 nd Edition of 'The Caves of North Wales' by Tony Oldham.
Plastic Folder		Photocopy of Davies, Glyn 1964. <i>Minera</i> . Published by the Author.
Plastic Folder		Photocopy of part of Boyd, James I.C. 1981. <i>Narrow Gauge Railways in North Caernarvonshire Volume 1 – The West</i> . The Oakwood Press
Plastic Folder	D54	Copy of 'The Miners Trail – Llywernog Mine Historical Site' 1980

Leaflet – Llywernog Silver-Lead Mine, dated 1994
Tour Guide - Llywernog Silver-Lead Mine, dated 1975

Plastic Folder	Photocopy of 'Frongoch Mine – an Underground Exploration' by Roy Fellows. N.d.
Booklet	Mining and Industrial Heritage in North West Wales for Groups and Conferences at the University of Wales, Bangor. N.D.
Plastic Folder	Chapter 4 – Nantlle Valley. No provenance.
Plastic Folder	Photocopy of Hughes, S.J.S. 1991. The Van Mine, Llanidloes, Powys, Wales. <i>U.K. Journal of Mines and Minerals</i> No. 9
Plastic Folder	Offprint Copy of Morrison, T.A. 1971 Some Notes on the Van Mine, Llanidloes, Montgomery. <i>Industrial Archaeology</i> Vol. 8 No. 1 pp29-51
Plastic Folder	Factsheet entitled 'The Temple Lead Mine, Parsons Bridge' issued by the Mid-Wales Mining Museum at Ponterwyd. 1981.
Plastic Folder	'Cwmorthin Slate Quarry Underground Plan' and 'Cwmorthin Slate Quarry Surface Plan 1939' probably redrawn by G. Isherwood.
Plastic Folder	Photocopy of 'Sketch Plan of New Lode and Comet Lode Workings in Pugh's Section of the Cwmystwyth Mines' drawn by R.P. Jones 26 October 1987.
Plastic Folder	Photocopy of 'Whatever happened to Geology?' A Chronology Compiled to Accompany a Lecture on the Work of Dr. Frederick John North. From the 125 th Anniversary Programme of the Cardiff Naturalists' Society – March 1993
Plastic Folder	Site guide to the Dolaucothi Gold Mines – issued by the National Trust
Plastic Folder	Tourist leaflet – Llechwedd Slate Caverns. n.d.
Plastic Folder	Tourist leaflet – Gloddfa Ganol Slate Mine. n.d.
Plastic Folder	Tourist leaflet – Sygun Copper Mine. n.d.
Plastic Folder	Tourist leaflet – Welsh Gold, The Marian, Dolgellau. n.d.
Plastic Folder	Tourist leaflet – Stone Science, Llanddyfnan, Anglesey. n.d.
Plastic Folder	Photocopy of 'The Wainfelin and Tranch Iron Mine' by Bill Gascoine, 1993
Paper Envelope	D48 Sundry paperwork from Parc Mine, Llanwrst, dated 1951 on. Rescued and dried out by Adrian Pearce, from the remains of the plant in 1974.
Booklet	Offprint – Manning, W. 1968. The Dolaucothi Gold Mines. <i>Antiquity</i> 42 (168) pp299-302.
Booklet	Offprint – Jones, G.D. Barri and Lewis, Peter R. 1971. The Dolaucothi Gold-Mines. <i>Sonderuck aus Bonner Jahrb.</i> 171
Booklet	Sygun Copper Mine c.1988
Plastic Folder	Leaflet for 'Chwarel Hen Llanfair' Slate caverns at Llanfair near Harlech.
Booklet	Conference Programme 'Mining Legacies' NAMHO 2013 Aberystwyth University 28 June to 1 July 2013
Leaflet	National Monuments Records of Wales – Royal Commission on the Ancient and Historical Monuments of Wales (Collected 2013)
Leaflet	The Silver Mountain Experience (Collected 2013)

Leaflet	Metal Links (Collected 2013)
Leaflet	NAMHO 2013 Aberystwyth – Self Guided Tours from Aberystwyth
Leaflet	Corris Mine Explorers (Collected 2013)
Leaflet	What's On (National Trust, Wales) (Collected 2013)
Leaflet	Ceredigion Museum (Collected 2013)
Booklet	A Guide to the Industrial Archaeology of Mid-Wales. Published by the Association for Industrial Archaeology 1984
Folder	The Bersham and Clywedog Industrial Trail – Information Sheets – Minera - 1981
Folder	The Bersham and Clywedog Industrial Trail – Information Sheets – Bersham - 1981
Plastic Folder	Leaflets for various mining tourist attractions – Dolaucothi, Parys Mountain, Sygun Copper Mine, Big Pit Mining Museum, Llechwedd Slate Caverns, Clywedog and Bryn-Tail Mine, Wales Underground, Llywernog Mine, Cefn Coed Colliery
Plastic Folder	Photocopied Offprint – 'Mineralogy, Metallurgy, and the Copper Ore Trade.' By Edmund Newell – Paper presented at the Mining History Seminar, University of Keele, November 1988.

Catalogue of the Box "Lake District"

<u>Variety of Item</u>	<u>Serial No.</u>	<u>Description</u>
Plastic Folder		Leaflet – Florence Mine Heritage centre. N.D.
Plastic Folder		Newspaper Cutting – Beneath the Lakeland Fells – from 'The Cumberland News, 1 st May 1992.
Plastic Folder		Duplicated booklet – 'Coniston Copper Mines – A Historical Outline', by Derek Butterworth
Plastic Folder		Photocopy – 'Coniston Copper Mines – A Historical Outline', by Derek Butterworth
Plastic Folder		Photocopy of Challis, P.J. 1979. Greenside Mine: Ore Dressing c1900 – The Dam Disaster 1927. <i>British Mining</i> No. 11 pp75-81
Plastic Folder		Photocopy of Landless, V. 1979. Greenside explored. <i>British Mining</i> No. 11 pp66-74
Plastic Folder		Photocopy – Chapter on Greenside Mine from – Shaw, W.T. 1975. Mining in the Lake Counties. Dalesman Publishing. Pp76-91
Plastic Folder	24	An 'Introduction to Force Crag Mine' by George W. Hall. N.d.
Plastic Folder	19	Extracts from E. Holland 'Coniston Copper'.
Plastic Folder	23	Photocopy of Landless, V. 1979. Greenside explored. <i>British Mining</i> No. 11 pp66-74; Copies of correspondence about Greenside Mine.
Paper Envelope		Copy of 'T. I. Elliott, 'Anhydrite Mining at Sandwith, Near Whitehaven', reprinted from The Mining Engineer, No. 124, The Institution of Mining Engineers, January 1971
Paper Envelope		Article abstracted from a 'Dalesman Publication – The Way of the Miners, by Eric G. Holland pp241-243
Plastic Folder		Photocopy of the Section of Greenside Mine, taken from the 1922 Memoir. Annotated with the route of an exploratory trip c.1980
Plastic Folder		Photocopy – Morton, G.R. 1968 Technical Aspects of the early Iron Industry of Furness and district. <i>Historical Metallurgy</i> . Vol. 3 No. 1 pp.6-11.
Plastic Folder		Photocopy Article – Harker, R.S. 1966 Copper Mines of the Lake District. <i>Memoirs of the Northern Cavern and Mine Research Society</i> 1966 pp35-40.
Plastic Folder		Folder of Field Reports re exploration of mines in Eskdale. These took place in the first half of 1963. The only name appearing is J. Miller.
Plastic Folder		Leaflets for Tourist Mining Attractions – Threlkeld Quarry, Keswick Mining Museum
Booklet	(D75)	Disaster at Haig Pit, Whitehaven 5/9/1922
Booklet	(D78)	A 1981 reprint of an account of the Coal Mines near Whitehaven published in 1801

Catalogue of the Box "Miscellaneous"

<u>Variety of Item</u>	<u>Serial No.</u>	<u>Description</u>
Plastic Folder		List of Plans and sections in the B.C.R.A. Mining Records. Relates to mining in the Yorkshire Dales and Grassington, and has been annotated by Mike Gill, NMRS.
Plastic Folder		Leaflet, c2000, Friends of Williamson's Tunnels.
Plastic Folder		Offprint – 'Shining Stones: Britain's Native Marbles' by Graham Lott and David Smith from The Building Conservation Directory 2001
Plastic Folder		Notification as a Site of Special Scientific Interest – Lower Woods, Northavon District, County of Avon
Plastic Folder		Computer Printout from the Internet. Assessment for two areas of geological interest in the Dorset and East Devon Coast World Heritage Site – Pinhay Bay and Culverhole Point.
Paper Envelope		Correspondence and photographs relating to an enquiry directed to Adrian Pearce from the Institute of Geological Sciences regarding samples for bacteria underground. Dated October 1982.
Plastic Folder		Notes and other material on Yorkshire Metal Mining. Post-it note attached relates to information passing from Mike Gill, NMRS, to J.H. Rieuwerts.
Plastic Folder		Contains leaflet entitled 'Bats Underground – A Conservation Code'. Published by a partnership of the Fauna and Flora Preservation Society, the Nature Conservancy Council and the Vincent Wildlife Trust. Dated 1988.
Plastic Folder		Contains Pre-Print Paper No. 24 – Pattern for the Revival of Mineral Exploration in the British Isles by A.J.P. Walter – to be given at a Symposium entitled 'The Future of Non-Ferrous Mining in Great Britain and Ireland – London, September 1958.
Plastic Folder		Computer Printout from the Internet. Contains information relating to lead mining near Stromness, Orkney (Mentions the involvement of Derbyshire miners).
Offprint		Taylor, M.A. and Harte, J.D.C. 1991. Fossils, Minerals and the Law. Geology Today Sept./Oct. 1991 pp189-193
Booklet		The Hardy Patent Pick Co. Ltd. Catalogue – Section 5: Hand Power Boring Machines and Parts. 1922
Booklet		Eureka – The Journal of Mining Collectibles Issue 32 October 1999 – The Spedding Flint Mill
Plastic Folder		Photocopy – (part of) Lead – Imperial Mineral Resources Bureau 1922 (not further details known).
Plastic Folder		Leaflet – Ancestral Voices – An Introduction to Building Stones. Published by the British Geological Survey c.1976
Booklet		The Meadow Bank Mine – Published by I.C.I. c.1960
Plastic Folder		Survey of Wood Mine, Alderley Edge. c.1975
Plastic Folder		Photocopy – Warrington, Geoffrey 1965. The Metalliferous Mining District of Alderley Edge, Cheshire. <i>Mercian Geologist</i> Vol. 1 Pp.111-131.

Booklet		The Alderley Edge Mining Company, 1858-1878 – Extracts from the Mining Journal. Compiled by A. Scragg.
Paper Envelope		Notice issued by Macclesfield Borough Council relating to refusal of planning application to develop West Mine, Alderley Edge as a tourist attraction. Dated 1 st October 1981.
Plastic Folder		Correspondence between Stan Gee of the Derbyshire Caving Club and Adrian Pearce regarding the Alderley Edge mines. Dated 1982.
Booklet		The Newcomen Type Engine at Elsecar. Published by the National Coal Board, September 1984.
Booklet		Photocopy of the discussion on 'Notes on an Old Colliery Pumping Engine (1791)' by William Thomson Anderson. 1916-7. Published in the Transactions of the Institution of Mining Engineers. Vol. 52 pp.423-445.
Plastic Folder		Photocopy – Excerpt from 'Philosophical Transactions of the Royal Society' 1665-1666 pp.52-5. Entitled 'A Way to Break Easily and speedily the hardest Rocks, Communicated by the same Person, as he received it from Monsieur du Son, the Inventor'.
Plastic Folder		Leaflet advertising the Stationary Engine Research Group. c.1990.
Plastic Folder	B151	Pages from a Journal (probably Scientific American, January 1964). 'The Origins of the Steam Engine' by Eugene S. Ferguson.
Paper Envelope		Envelope labelled 'More Engines (Water Pressure in Derbyshire and Scotland) Basford Beam Engine. Contains various items. 1) Photocopy of – Brooks, Tony July 1991. Swannington Pumping Engine and Calcutta Shaft. A Brief History and Description. The Flywheel (Journal of the Northern Mill Engine Society). 2) Booklet – The Basford Beam Engine and other Engines at Nottingham Industrial Museum. 3) Photocopy of – Bromley, Edmund 'On Garrett, Marshall and Company's Hydraulic Pumping Engine, Draining Dip Workings at Grassmoor Colliery'. Probably from the Transactions of the Chesterfield and North Derbyshire Institute of Mining and Mechanical Engineers'. 4) Computer Printout with attached slip. Draft copy of an article regarding models of pumping engines in the Peak District Mining Museum. Compiled by Roy Paulson and addressed to Tony (Dixon??). 5) Draft version of an article by Geoff Downs-Rose in November 1984 entitled 'The Use of Hydraulic Pumping Engines for Draining the Wanlockhead Lead Mines'. Final publication not known. 6) Two copies of an explanation with drawings of the operation of a hydraulic pumping engine – possibly the Wills Founder Engine. 7) Draft booklet entitled 'Unwatering Lead Mines in Derbyshire and How it was done without the use of steam' by A.G. Dixon.
Booklet		An Introduction to Roads and Roadmaking issued by Tarmac Roadstone, 1982.
Paper Envelope		A.I.A. Conference in Association with N.A.M.H.O. 'The British Metal Mining Conference – Conservation, Interpretation and Research'. 16/17 June 1989, Loughborough University – Programme etc.
Plastic Folder		Issue 2 and 3 of The Mole – Newsletter of the Friends of Williamson's Tunnels. 1997.
Plastic Folder		Photocopy – Part of an Article on early post-Medieval Mining Records – Source unknown.
Plastic Folder	D151	Notes regarding Robert Hunt's use of illustration in 'British Mining'

(1884). Compiled by Paul Sowan.

Paper Envelope	D148	a) Offprint – 'The Meadowbank Rock Salt Mine' reprinted from Mine and Quarry Engineering, February and March 1962.
	B174	b) Extract from unknown publication 'The Only Mine on the Island' by John Winton (Concerns Meadowbank Salt Mine, Cheshire).
Plastic Folder		Three photocopies of a print entitled 'Or, Pilage et Lavage de la Mine' – Source unknown (Depicts ore crushing and washing).
Plastic Folder		Typewritten document entitled 'Miscellaneous Underground Stone Mining and Quarrying in Scotland'. Compiled by Paul W. Sowan and dated 15 June 1991.
Booklet		'Men of the Lowther Hills' by W.S. Harvey and G. Downs-Rose, dated 1975.
Paper Envelope		Contains Newsletters of the Manx Mines research Group Nos. 5, 6, 7, 8, 9 (Two off – different) and 10 – mid to late 1980's.
Plastic Folder		Printed Notes relating the Geology of the Alderley Edge, Cheshire prepared by G. Warrington of the Institute of Geological Sciences, Leeds c.1972.
Plastic Folder		Photocopy Article – Harvey, W.S. 1994 Pollution at Leadhills: Responses to Domestic and Industrial Pollution in a Mining Community. <i>Local Historian</i> 24:3 pp.130-138.
Plastic Folder		Photocopy Article – Emsley, John 1994 Ancient World was Poisoned by Lead. <i>New Scientist</i> 1 October 1994.
Plastic Folder		Photocopy Newspaper Cutting – Coal-Yard Closure is the End of an Era ' <i>Evening Chronicle, Oldham</i> – 22 September 1994'
Plastic Folder		Photocopy Article – Younger, P.L. 1994 Minewater Pollution: The Revenge of Old King Coal. <i>Geoscientist</i> 4:5 pp6-8.
Plastic Folder		Photocopy Booklet – Colman, T.B. 1990 Exploration for Metalliferous and Related Minerals in Britain: a Guide. British Geological Survey
Plastic Folder		Photocopy Article – Hooper, W. and M. 1994 Life after Death. <i>Geographical Magazine</i> 66(8) pp35-6.
Plastic Folder		Photocopy Article – Waltham, T. c1995 New Dimensions and New Understandings of Ground Subsidence. <i>Geoscientist</i> 5:4 pp13-14
Plastic Folder		Photocopy Article - Tucker, D. Gordon 1972 Fumes, Flues, Condensers and Chimneys in Lead Smelting <i>Bulletin of the Historical Metallurgy Group</i> , Vol.6 No.2 pp.1-6
Plastic Folder		Information Pack relating to the NAMHO 1993 Conference held in the Isle of Man
Booklet		Computer generated booklet entitled 'Mining References from the Illustrated London News'. 1853-1859. Created by Alan Vickers January 2001.
Booklet		Computer generated booklet listing quarry sites. Appears to be generated principally from references in The Mining Journal. Dated 21.7.2000. Source not known.
Plastic Folder		Copy of British Mining History – Bibliography No. 1 1990.

Plastic Folder	Copy of British Mining History – Bibliography No. 2 1991.
Plastic Folder	Copy of British Mining History – Bibliography No. 3 1991.
Plastic Folder	Copy of British Mining History – Bibliography No. 4 1992.
Plastic Folder	Copy of British Mining History – Bibliography No. 5 1993.
Plastic Folder	Copy of British Mining History – Bibliography No. 6 1995.
Plastic Folder	Copy of British Mining History – Bibliography No. 7 1998.
Plastic Folder	Photocopy – Extracts (pp32-35, 66-69) from Sherlock, R.L. & Hollingworth S.E. 1938. Gypsum and Anhydrite. Special Reports on the Mineral Resources of Great Britain, Volume 3, Memoir Geological Survey of Great Britain, His Majesty's Stationery Office, London.
Plastic Folder	Newsletter No. 15 of the British Caving Association – November 2011
Plastic Folder	Notes compiled by David Poyner (of the Shropshire Mining and Caving Club) relating to a visit to the excavations at Pitchcroft Engine House, Church Aston, near Newport, Shropshire (2013)
Plastic Folder	Leaflets for various Mining Tourist Attractions – Wanlockhead, Ironbridge, Salt Museum – Northwich, the Tar Tunnel, Apedale Heritage Centre
Plastic Folder	'Myths against Minerals' by Rob Ixer, published in British Archaeology October 2002
Plastic Folder	'Economic Minerals' by Arthur Notholt. No source given.
Plastic Folder	'18 th Century Lead Ingots from the Hollandia' – A more detailed analysis of the ingots than that which appears in Bull PDMHS 9:4.
Booklet	Parts list from Holman Brothers of Camborne, England. List covers 'Universal Drill Rig' for 'Down-the-Hole' and Drifter types.
Plastic Folder	Parts list for 'Down-the-Hole' type Drilling Unit from Holman Brothers of Camborne, England.
Plastic Folder	Description and part list for Holman Reciprocating or Piston Drills. Camborne, 1923.
Plastic Folder	Drawings and Parts List for Holman Air feed Hammer Drills (A.F.W.2) published by Holman Brothers Ltd., Camborne, England.
Plastic Folder	Description and Parts List for Holman Cradle Mountings for Nos. 1, 2, 3, 30, 40 and 50 Pounder Hammer Drills, published by Holman Brothers Ltd., Camborne, England.
Plastic Folder	Leaflet for Machine Drills and Boring Tools by J. and H. Morewood, Manufacturers of Hollow Drill Steel, Buffalo Works, Soho Street, Sheffield
Plastic Folder	Photocopy of part of the catalogue of hand drilling equipment manufactured by Hardypick Limited, Sheffield, 1953.
Paper Envelope	Instructions and Parts Catalogue of Wilfley Table (as in the shed at Temple Mine).

Plastic Envelope	General Rules for explosive Stores – issued by Explosives and Chemical Products Limited, Alfreton.
Booklet	Memorandum and Articles of Association for the Historical metallurgy Society. (1979).
Photograph	Miscellaneous Photo of Mill Chimneys (site not know).
Booklet	The Ignition of Firedamp by Explosives, Colliery Guardian 1939
Booklet	Specific Gravity Coal Washing (with ref to the Tromp process), Colliery Guardian 1939
Photocopy	(D132) Timetable for the infilling of shafts at Silverhill Colliery, Sept 1993
Booklet	Paper by J.J. Atkinson on The friction of air in Mines, Manchester Geological society 1862
Booklet	Paper by F.B.Hinsley on The control of Atmospheric Conditions in Mines, Royal Society of Arts 1967
Booklet	(D74) Proposal for the reopening of Chatterley Whitfield Museum, 1994
Plastic Folder	(D63) Notes on the development of Elsecar Colliery Area. Handout from Field Meeting by I Brown & J Goodchild 1980
Booklet	Miscellaneous Mines in Great Britain 1974, Dept of Trade
Booklet	A Complete A to Z of over 2200 Collieries with names of pre-1947 owners. Colin Jackson 1998
Plastic Folder	(D65) Photocopies of 3 Certificates of Authority for W Bostock to operate equipment at Woodside Colliery 1939, 1954 and 1960

Catalogue of the Box "North Pennines"

<u>Variety of Item</u>	<u>Serial No.</u>	<u>Description</u>
Plastic Folder		Report of seminar – North Pennines Lead Mining Heritage Strategy – October 1988
Plastic Folder		Photocopy of 'The Lead Mining Heritage of the North Pennines' – A Discussion Document produced jointly by Cumbria, Durham and Northumberland County Councils – June 1987.
Plastic Folder		Booklet - Nenthead Lead Mining Centre – A Feasibility Study (Draft) – dated February 1991.
Booklet		Booklet – Killhope: A Celebration of our Journey 1984-2005.
Plastic Folder		Leaflet – Stump Cross Caverns n.d.
Plastic Folder		Duplicated Membership List for 1970 – Probably of the Northern Cavern and Mine Research Society
Paper Envelope		Folder entitled 'Sir Francis Mine' with address label of H.M. Parker Contains a copy of Crabtree, P.W. and Foster, R. 1963 Sir Francis Mine. <i>Cave Science</i> 5:33 pp1-24. Also includes draft copies of Parker, H.M. 1994. Sir Francis - Then and Now. <i>Bulletin of PDMHS</i> Vol. 12 No. 4 pp35-38.
Plastic Folder		Leaflet – The Weardale Museum of High House Chapel. N.d.
Plastic Folder		Leaflet – Killhope Wheel 1981 (2 Copies)
Plastic Folder		Leaflet – Pikes, Mines and Commons around Hilton and Murton – Mid-Eden Walk 1 n.d.
		Leaflet – Alston's Nent Valley: Gossipgate to Blagill – Alston Moor Walk 1 n.d.
		Leaflet – Annat Walls and Natrass Gill: The South Tyne Valley - Alston Moor Walk 2 n.d.
		Leaflet – To the Source of the Tyne - Alston Moor Walk 4 n.d.
		Leaflet – A View of Alston Moor – Walking East of Eden – Alston Moor Walk 4 n.d. (2 copies)
		Leaflet – Water Power in Alston - Alston Moor Walk 5 n.d. (2 copies)
		Leaflet – From Fairyland to Leadmines: Around Nenthead - Alston Moor Walk 6 n.d.
Plastic Folder		Booklet – Allenheads: A Short History of a Lead Mining Village in the 19 th Century – Published by the Allenheads Village Trust. N.d.
Plastic Folder		Booklet – The Secret World of Spar Boxes – Published by Killhope Lead Mining Museum. N.d.
Booklet B81		Booklet – R.T. Clough – A Selective Bibliography of Books and Sources of Information on Mining, Smelting and Metallurgy, with Special Reference to Lead Mining and Lead Smelting in the North of England. November 1960.
Plastic Folder	D133	Photocopy of a Survey Reference List published by the NMRS. Covering letter from M.C.Gill to Adrian Pearce. N.D.
Plastic Folder		Booklet – Index to the Newsletters and Publications of the NMRS formerly the NCMRS 1950 to 1991. Compiled by M.C. Gill. September 1992.
Plastic Folder		Booklet – Library List of the Northern Mine Research Society. N.D.
Plastic Folder		Leaflet – The National Coal Mining Museum for England. N.D.
Booklet		Booklet – Caphouse Colliery: The Yorkshire Mining Museum. N.D.
Plastic Folder		Map – Ordnance Survey 6 Inch to the Mile Map Sheet NY 74 SE (centred on Nenthead).

Plastic Folder	D126	Explosives Licence under the Explosives Act, 1875, issued to the W.B. Lead Company of Allenheads, dated 1 July 1914.
Plastic Folder	18	Photocopy of a Survey of Buckden Gavel Mine – NCMRS Survey, 1970-1, based on W. Wallace Survey 1876.
Booklet	D77	North of England Institute of Mining and Mechanical Engineers. n.d.
Plastic Folder	D125	Transcripts of the annual accounts of the Weardale Iron and Coal Company Limited 1890-1897 (Source not stated).
Plastic Folder	48	Photocopy of an Ordnance Survey Map of the Alston Moor area showing the location of dangerous shafts. On the reverse is a letter from Cumbria County Council Planning Department to M.C. Gill as secretary of NAMHO regarding the capping of shafts on Alston Moor. This has been forwarded to Adrian (Pearce) for comments.
Booklet		A Brief Guide to Beamish – The North of England Open Air Museum
Plastic Folder		Photocopy of a transcript of 'Rara Avis in Terris' or 'The Laws and Customs of the Lead Mines within the Mineral Liberty of Gresington cum Membris'. May not be complete, source unknown.
Plastic Folder	D54	Publicity Material for Beamish Open Air Museum.
Plastic Folder		Three leaflets advertising a) Caphouse Colliery b) The National Coal Mining Museum c) The National Coal Mining Museum Library
Plastic Folder		Postcard depicting 'The Cobbled Square, Grassington' from R.T. Clough to L. Willies.
Plastic Folder		Leaflet advertising the Swaledale Museum in Reeth, Yorkshire.
Plastic Folder		Photocopy Article – Dickinson, J.M. 1966 The Grimwith Lead Mining Company Limited. <i>Memoirs of the Northern Cavern and Mine Research Society</i> 1966 pp1-21.
Plastic Folder		Photocopy Article – Dickinson, J.M. and Holding, J.E. 1965 Coal and Iron Working in Upper Airedale. <i>Memoirs of the Northern Cavern and Mine Research Society</i> 1965 pp42-46
Plastic Folder		Dyeline Copy – 'Section through the Strata of Alston Moor' Source Not Know. Stamped on Reverse with the stamp of H.M. Parker.
Plastic Folder		Photocopy Article - Barnby, R.A. 1972 The Influence of the London Lead Company upon the Development of Middleton-in-Teesdale <i>Bulletin of the Durham City Local History Society</i> , Vol. XV (1972), pp.19-32
Plastic Folder		Newspaper Cuttings related to Nenthead, Killhope, and Gillfield Level, Pateley Bridge.
Plastic Folder		Various Leaflets for Tourist mining attractions – Killhope Centre, Nenthead, Nent Valley
Plastic Folder		Various Leaflets for Yorkshire mining attractions – Caphouse Colliery, Wortley Top Forge, St. Aidans Walking Dragline.
Plastic Folder		Series of Leaflets describing Industrial Trails relating to mining industrial heritage of Cleveland <ul style="list-style-type: none"> 1. Skinningrove Village 2. Skinningrove and Liverton 3. Skinningrove and Hummersea 4. Rosedale East and Sheriffs Pit 5. Rosedale 6. Grosmont

7. Goathland and Beckhole
8. Boulby
9. Sandsend

Plastic Folder	D58	Photocopied Typescript – No known author – Hangmans Woods Deneholes
Plastic Folder		Photocopy – Crack Shot (Chalk Caverns under Caversham, near Reading). New Civil Engineer 24 January 1991 p29.
Plastic Folder		Flyer for the publication 'Pinner Chalk Mines' published by the Pinner Local History Society – dated 4 January 1993.

Catalogue of the Box "The World"

<u>Variety of Item</u>	<u>Serial No.</u>	<u>Description</u>
Plastic Folder		Journal – Subterranea Belgica – Special 'Gites Metalliferes' – September 1989
Plastic Folder		Offprint – Willies, Lynn in association with Craddock, P.T., Gurjar, L.J. and Hegde, K.T.M. 1984. Ancient Lead and Zinc Mining in Rajasthan, India. <i>World Archaeology</i> Vol. 16 No. 2 pp222-233.
Plastic Folder		Photocopy – Koran, Jan and Vanecek, Vaclav. 1962. Czech Mining and cs. <i>Cahiers d'Histoire Mondiale</i> . Vol. 7 No. 1 pp27-55.
Plastic Folder		Offprint – Willies, L.M. 1991. Geology and Metallurgy in the Interpretation of Ancient Mining and Smelting in <i>Archaeological Sciences</i> . Publ. Oxbow Books. Pp201-211.
Plastic Folder		Offprint – Brill, R.H. and Wamp;er, J.M. 1967 Isotope Studies of Ancient Lead. <i>American Journal of Archaeology</i> . Vol. 71 pp63-77.
Paper Envelope		Offprint – Thomsen, Vol. 204. 1966. <i>Metallographic Studies of an Axe from the Migration Age</i> . Journal of the Iron and Steel Institute. Vol. 204 pp905-909
Plastic Folder		Offprint – Paper from a Conference 'Archaeologia delle Attivita Estrattive e Metallurgiche' – Willies, L., 1991, Development of Lead Smelting Techniques. Pp497-514.
Plastic Folder		Photocopy – Helm, John A. October 1995. The Silver Mines of the Vosges Mountains, France. <i>Records of the Craven Pothole Club</i> No. 40 pp43-44.
Plastic Folder		Photocopy – Groessens, Eric. 1997-8. Les Carrieres Souterraines de Folx-les-Caves (Belgique). <i>Bulletin de la Commission Royale des Monuments, Sites et Fouilles</i> . Tome 16.1 pp17-36 (in French)
Plastic Folder		Typewritten Document (translation) – Hagermann, Dieter. 1985. Principles of the Order of Sovereignty in the Mining Industry in the late Middle Ages. <i>Technikgeschichte</i> . Band 52 Heft 3. also Photocopy of the original article (in German).
Paper Envelope	D47	Photocopies – Notes on the Mining Collections of the National Technical Museum in Prague – 12 Postcards relating to mining issued by the Museum.
Plastic Folder		Tourist Leaflet – Idrijsko in Cerkljansko (an area of Slovenia containing a mercury mine) – leaflet in Slovenian and English. Circa 2000.
Plastic Folder		Booklet – 'Silver in the History of Science, Technology and Art' a Symposium organised by the Czechoslovak Scientific Technical Society in October 1971. Synopsis of papers (in English).
Plastic Folder		Booklet – Hindzinc Tech. Vol. 1 No. January 1989. Contains article 'Zinc – A Heritage' detailed work carried out by Willies, Craddock and others in Zawarmala, India.
Plastic Folder		Booklet – 'Plomb, plomb, plomb, plomb' issued in the Conseil General du Rhone, 2001. (in French)
Plastic Folder		Booklet – Goslar – 1000 years are like a Single day – Guide to the town of Goslar, Harz Mountains. (in English).
Plastic Folder		Leaflet – Das Oberharzzer Bergwerksmuseum (Clausthal-Zellerfeld, Germany) – The Over Harz Mining Museum (in German).

Plastic Folder	Leaflets and card – ‘Mines d’Argent des Rois Francs’ – Silver Mines at Melle, France (mainly in French, but some English).
Plastic Folder	Postcard (addressed to J.H. Rieuwerts) of the Montan Museum alt Bockstein, Austria.
Plastic Folder	Leaflet – Les Iles de Pont et Le Granit de Liguge. (Granite quarries south of Poitiers, France) (in French).
Paper Envelope	Photocopy – Todd, A.C. 1977. <i>The Search for Silver: Cornish Miners in Mexico, 1824-1947</i> . Padstow: Lodenek Press.
Plastic Folder	Booklet – Bergbau Erleben im Harz (in German)
Plastic Folder	Booklet – ‘3000 Jahre Salz – Gewinnung im Magdeburger Land’ by H-H. Walter (in German)
Plastic Folder	Booklet – Geschichte des Creuzburger Salzwerks’ by Horst Schmidt and H.H. Walter. 1988 (in German).
	Booklet – Preussag Metall (detailing activities of the company) (in English).
Plastic Folder	Booklet – Besucher-Bergwerk ‘Drei Kronen and Ehr’t (in German).
Computer Printout	Article – Schwartz, S. 2012 The ‘Light Infantry of Capital’: The Migration of Miners from South West Britain to Latin America in the Early Nineteenth Century and the Rise of the Modern Global Mining Economy. Proceedings of the International Mining History Conference, Johannesburg.
Booklet	The Goldfields’ Poor (New Zealand) by Pauline Cartwright – 1989
Paper Envelope	Booklet – The Navan Development – Tara Mines Limited n.d. Booklet – About Mining - Navan
Booklet B19	The World Museum of Mining – Buute, Montana (May 1964)
Plastic Folder	B121 Copper ... the Oldest and the Newest metal. Produced by The Copper and Brass Research Association, New York
Plastic Folder	Various leaflets relating to the Deutsches Bergbau-Museum, Bochum
Plastic Folder	Various leaflets relating to French Mining Museums
Plastic Folder	Various leaflets relating to Rammelsberg Mine, Goslar, Harz Mountains, Germany.
Plastic Folder	Various leaflets relating to the Das Oberharzer Bergwerksmuseum, Clausthal-Zellerfeld, Harz Mountains, Germany.
Plastic Folder	Various leaflets relating to Mining Museums and other attractions in Germany.
Plastic Folder	Payan, Ing. Manuel 1987 Charcas Mine (Mexico) Mining Magazine January 1987
Plastic Folder	Set of Postcards showing mining scenes at Freiberg, Saxony. Acquired from the Freiberg City and Mining Museum.
Plastic Folder	Leaflets relating to mining and mineral attractions from Freiberg, Saxony. (in English).
Plastic Folder	Leaflet relating to Das Alaunwerk in Muhlwand, Germany (Alum mining and processing. (in German)
Plastic Folder	Leaflet relating to Roeder-Stollen at Rammelsberg, the Harz (in German)

- Plastic Folder Photocopied Offprint – ‘The Western Lapidary tradition in Early Geological Literature: Medicinal and Magical Minerals’ by Chrictopher J. Duffin. From Geology Today Vol. 21 No. 2 March-April 2005
- Plastic Folder ‘Metal Mining and Canadian Economic development to 1939’ – A Draft of a Paper prepared By Dr. C. Dow, Department of Economics, University of Stirling for the Mining History Seminar, University of Keele, November 1988.
- Plastic Folder ‘The Distribution of British Direct Investment in Non-Ferrous Metal Mining Overseas, 1870 to 1914.’ By Charles Harvey and Jon. Press. No apparent source, but may have been prepared for the Mining History Seminar, University of Keele, November 1988.
- Plastic Folder Figure and Table referring to world tin production 1800 – 1920
- Plastic Folder ‘Crystalline Matter’ – An article from the British Museum Magazine – Spring

Catalogue of the Box "Ancient Mining"

Catalogue of the Upright Box "Forest of Dean and Bristol"

<u>Variety of Item</u>	<u>Serial No.</u>	<u>Description</u>
Plastic Folder		Photocopy of Survey entitled 'Old Ham Iron Mine (Forest of Dean) First Level. Dated May 1975.
Booklet		Roman Mine (Draethen, Glamorganshire) by J. and N. Tuck. A Caving Report of the Bristol Exploration Club – July 1971.
Booklet		Journal 1970 of The Society for Mines Research in the Bristol area. (2 copies).
Plastic Folder		Photocopy - 'The Nailsea and Clapton Coalfields: A Report on the Conditions of the Mines and Shafts' issued by Woodspring District Council. October 1980.
Plastic Folder		Photocopy - Extract on Lead Mining taken from the Victoria County History of Somerset Vol. 2 pp.362-379
Plastic Folder		Photocopy – Lemon, Sir Charles 1846. On Certain Peculiarities in the old Mining Laws of Mendip. Transactions of the Royal Geological Society of Cornwall. Vol. 6.
Plastic Folder		Photocopy – Bath Freestone Workings by Liz Price, published by the Resurgence Press, Radstock, Bath.
Plastic Folder		Bound Photocopy – Scott-Garrett, Dr. C. 1959 Roman Iron Mine in Lydney Park Transactions of the Bristol and Gloucester Archaeological Society Vol. 78 pp.86-91
Plastic Folder		Photocopy – 'The Free Miners of the Royal Forest of Dean and Hundred of St. Briavels' by Cyril E. Hart 1953, published by The British Publishing Company Limited, Gloucester. (Contains pages 36-49, 76-137, 208-209, 250-253, 318-325, 491-501).
Plastic Folder		Photocopy – Part of book relating to Timber (May be from A.L. Cross, Eighteenth Century Documents Relating to the Royal Forests, the Sheriffs and Smuggling selected from the Shelburne Manuscripts in the William L. Clements Library, 1928).
Plastic Folder		Photocopy – MacLean, Sir John. 1889-90. A Perambulation of the Forest of Dene in the County of Gloucester 10 Edw. 1 (1281-2) Transactions of the Bristol and Gloucester Archaeological Society. Pp. 356-369.
Paper Envelope		Photocopy – Third Report of the Commissioners of Woods, Forests and Land Revenues, 1788 from House of Commons Journal Vol. 43 (1788) pp.559 on.
Plastic Folder		Leaflet – Clearwell Caves – Ancient Iron Mines. n.d.
Plastic Folder		Booklet – The Royal Forest of Dean Free Miners' Association. 1983.
Booklet		(Copy) Report on the Coleford Iron Ore Company and Associated Properties by C. Baring Horwood.
Booklet		Resolution of Freeminers passed at the Speech House, Forest of Dean on 28 th June 1930 re Local Enquiry into Proposed Revival of the Forest of Dean Iron Industry.

Plastic Folder		Typewritten item – Iron Mines in the Royal Forest of Dean – no provenance.
Plastic Folder		Photocopy – Notes and approx. survey of Clevedon Cave or Foxes Hole. From E.G.O.N.S. Newsletter No. 2 Jan. 1970.
Plastic Folder		Photocopy – The Laws and Customs of the Miners in the Forest of Dean in the County of Gloucester. 1687.
Plastic Folder		Photocopy – Reprint of a Paper given by Mr. Elsom entitled 'Dean Forest Freemaners' Rights' given at Lydney on May 14 1885.
Plastic Folder		Photocopy – 'Old Ham First Level' by Doug MacLean from 'Newsletter of the Royal Forest of Dean Caving Club' (59) pp.5-7 October 1975
Plastic Folder		Photocopy – 'Old Ham Iron Mine, Ham Level Extension' by Dave Eyre from 'Newsletter of the Cerberus(?) Speleological Society' May/June 1983.
Plastic Folder		Photocopy – 'The Geology of the Forest of Dean' No Provenance.
Plastic Folder		Photocopy – The First Report of the Dean Forest Mining Commissioners. 1839.
Plastic Folder		Photocopy – The Fourth Report of the Dean Forest Commissioners. (Part of) 1835. (Pages 3-10, 20-21, 44-52, 54-55).
Plastic Folder		Photocopy – The Fifth Report of the Dean Forest Commissioners. (Part of) 1835. (Pages 70-74).
Plastic Folder		Photocopy – Chapter entitled 'The Mendip Lead Industry' by H.D. Elkington(?) from Branigan, Keith and Fowler, P.J. 1976 The Roman West Country: Classical Culture and Celtic Society. David and Charles.
Plastic Folder		Photocopy – The Mines of Dundry Down (Probably extracted from Journal of the South Bristol Speleological Society. 7 (1978)).
Plastic Folder		Photocopy – Lead Mines of the Bristol Area by J. Sheen. Taken from Newsletter of the Mendip Nature research Committee No. 63 Autumn 1971 pp27-30.
Plastic Folder		Photocopy – Lead Mining in Backwell by J.M. Pullan. Taken from In and Around (Nailsea and District Local History Society) Volume 1 – 1984.
Plastic Folder	D105	Printed Photograph – The Last Chimney Stack on Mendip, Smitham Hill, East Harptree by A.E. McR. Pearce – Source not known.
Plastic Folder		Photocopy – Dundry Freestone Workings by P.A.E. Stewart. Taken from The British Caver No. 20 pp78-9 (1950).
Plastic Folder		Photocopy – A Mine at Nordrach by R.F. Haines-Nutt. Taken from Proceedings of Queen Elizabeth's Hospital Caving Group. n.d.
Plastic Folder		Photocopy – McMurtrie, James. 1911 On Indications of Lead Mining on Clifton and Durdham Downs, with notes on Mendip Mining Laws, A Paper read before the Bristol and Gloucestershire Archaeological Society.
Plastic Folder		Photocopy of Report from the commissioners of Woods, Forests and Land Revenues recommending Measures for ascertaining the

Boundaries of Dean Forest, and for Inquiring into the Rights or Claims of Persons calling themselves 'Free Miners' dated 25th August 1829.

Plastic Folder

Plastic Folder

Leaflets for various Tourist Mining Attractions – Clearwell Caves, Corsham Quarry Centre, Hopewell Colliery Museum

Catalogue of the Upright Box "Lead Smelting and Refining"

<u>Variety of Item</u>	<u>Serial No.</u>	<u>Description</u>
Booklet		Enthoven – Foremost in Lead Recycling. n.d.
Booklet		National Society for Clean Air – Lead and You: Why is Lead Dangerous?
Booklet		Sales Brochure – Calder: The Lead Engineering Experts.
Booklet		Sales Brochure – Calder: The Radiation Shielding Experts.
Booklet		Sales Brochure – Calder: Lead Clad Steel.
Booklet		Affinerie de Plomb de Villefranche-sur-Saone
Booklet		Lead Development Association – Lead Work (October 1982)
Booklet		Sales Brochure – BLM Girdler – Specialists in Special Leadwork.
Folder		Glossary of Terms used in the Lead Industry (Source not known).
Folder		Typewritten Notes relating to lead smelting and refining Headings: Rotary Kiln Smelting The Varta Process Reverb/ Blast Furnace Route Q.S.L. Process Kincet Process Hydrometallurgical Processes Slag Disposal Notes Assessment of Rotary Furnace Route (Collected by Alan Mutter).
Plastic Folder		Sheldon Bush and Patent Shot Company Limited. Records at their Cheese Lane, Bristol Offices – October 1991.
Plastic Folder		Abstract from the Conference of the 3rd European Lead Battery Conference, Munich October 1992 Ramus, K. and Hawkins, P. Lead-Acid Battery recycling and the new Isasmelt Process.
Plastic Folder		Lead Production by the QSL-Process (Lurgi).
Plastic Folder		Photocopy – QSL – A Continuous Process for Environmentally Clean Lead Production. (Source not given).
Plastic Folder		Photocopy – The QSL Process for an Energy Efficient and Clean Lead Production by L. Deininger (Source not given).
Plastic Folder		Photocopy – Mager, K. and Schulte, A. Process and Tachnological Aspects of the first four Commercial QSL Plants. (Source appears to be a Conference Proceedings).
Plastic Folder		Photocopy – Bergsoe Whole battery Smelting Process. (Source not known).
Paper Envelope		Labelled – Ore Hearth Newnam (Contains various photocopies)
Paper Envelope		Labelled – Newnam Hearth Furnace – Appears to be a draft of an article by Alan Mutter which appeared in Bull PDMHS 12:4.
