Visit to Millclose Mine, Darley Dale.

Leader: Mr. J. G. Brook

Date: Sunday June 28th

Time: 11.00 a.m.

Meet: Meet at The Whitworth Institute, Darley Dale.

It would be advisable to catch the 9.25 bus to Bakewell, then either a North Western Road Car Co. bus to Darby, which makes a connection with the Sheffield bus at about 10.30. Alight at Darley Dale. There is also a bus service from Chesterfield to Matlock, change at Matlock for a Silver Service coach to Darley, Winster, Elton - alight at Darley Dale.

Anyone unable to get to Darley by 11.00 a.m. should walk to the Mine; down the Dale Road, cross the Railway Crossing at Darley Station and continue along the road over the river Derwent. Take the first turn left, on past J. Enthoven Ltd. (Smelters). Millclose Mine is just past the factory.

Any friends of members will be welcome.

It has been decided that a report on the progress of the Society should be published. This will take the form of a Bulletin which will be issued free to members and anyone interested in the Society, and will be available in about three weeks time.
